A timeless story rediscovered by each new generation, *The Diary of a Young Girl* stands without peer. For both young readers and adults it continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel, this is the first graphic edition of *The Diary* and includes extensive quotation directly from the definitive edition. It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature.

An account of an Israeli soldier's experiences in Beirut during the massacres at Sabra and Shatila follows his recovered memories of his participation in the September 1982 atrocities after he had forgotten them for more than twenty years.

THE STORY: In this transcendentally powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with astonis

«Sono e sarò felice! Lo sono di natura, mi piace la gente, non sono sospettosa e voglio vedere tutti felici e insieme».

The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience.

The Diary of a Young Girl, also known as *The Diary of Anne Frank*, is a book of the writings from the Dutch language diary kept by Anne Frank while In 1942, with zis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fasciting commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

"The photographs compiled here are in black-and-white and in color; the reader experiences the house and its relics, and sees photos of Anne's family and their friends, as well as the people who helped them, and the changing Amsterdam neighborhood where they lived."--BOOK JACKET.
