For courses in Financial Accounting, Financial Reporting, Financial Statement Analysis, Introduction to Business, or MBA finance courses. Understanding the Corporate Annual Report: Nuts, Bolts, and A Few Loose Screws provides a clearly written, step-by-step guide to understanding corporate annual reports. Authors Fraser and Ormiston instruct readers on how to ignore the PR letters from the corporate management team, engaging graphics, and other "garnishes" that typically accompany current annual reports in order to focus on what really counts--a company's performance and financial health! Throughout the text, the authors examine management's attempts to manipulate earnings and other performance measures, and they explain what the numbers in the report really mean.

This handy reference booklet contains the text of the Sarbanes-Oxley Act of 2002, along with analysis and guidance from leading corporate and securities practitioners. The expert commentary provides: an overview of the Act's requirements; discussion on how the Act affects corporate officers and directors; and advice on how to implement the new certification requirements.

This paper presents different audited financial statements by the IMF. The accompanying consolidated financial statements of the General Department of the IMF ("the Department"), which comprise the consolidated statement of financial position as of April 30, 2015, and the related consolidated statement of comprehensive income, of changes in reserves, resources, and retained earnings, and of cash flows for the year then ended have been audited. The responsibility is to express an opinion on the consolidated financial statements based on the audits. The audits have been conducted in accordance with International Standards on Auditing and auditing standards generally accepted in the United States of America. The consolidated financial statements referred to in the paper present fairly, in all material respects, the financial position of the General Department of the IMF on April 30, 2015, and the results of its operations and its cash flows for the year then ended in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board.
