Bagombo Snuff Box is a collection of 23 short stories written by Kurt Vonnegut. The stories were originally published in US periodicals between 1950 and 1963, and consisted of virtually all of Vonnegut's previously published short fiction of the 1950s and 60s that had not been collected in 1968's Welcome to the Monkey House. This collection was published in 1999 by G. P. Putnam's Sons.

Bagombo Snuff Box - Wikipedia

Praise for Bagombo Snuff Box. "These tales are worth reading; with the other early stories in Welcome to the Monkey House, they provide fans with the complete test-tube Vonnegut."—Entertainment Weekly. "The stories...are snappy and often humorous, gentle even when sad.

Vonnegut himself selected the very best of his early stories for this audio release, and he reads the preface and the afterword. Collection includes: "Thanasphere," "Souvenir," "Bagombo Snuff Box," "The Boy Who Hated Girls," "Lovers Anonymous," and eight other miniature masterpieces. ©1999 Kurt Vonnegut (P)16 9; 1999 HighBridge Company

Bagombo Snuff Box by Kurt Vonnegut | Audiobook | Audible.com

Bagombo Snuff Box is an assortment of short stories written by Kurt Vonnegut published in 1999. The book contains previously published, but uncollected short fiction that did not appear in Vonnegut's previous collection, Welcome to the Monkey House. Though almost all the stories were initially written and published in the 1950s, for this collection, Vonnegut re-wrote three stories with which he had been dissatisfied.

A collection of previously unpublished short fiction from America's premiere satirist.

An anthology of previously uncollected short stories features twenty-four of the author's favorite tales, including "Any Reasonable Offer," "The Powder Blue Dragon," "Hal Irwin's Magic Lamp," and "Lover's Anonymous." 135,000 first printing.

The New York Times bestseller from the author of Slaughterhouse-Five—a "gripping" posthumous collection of Kurt Vonnegut's previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, Armageddon in Retrospect is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today's world. Includes an Introduction by Mark Vonnegut

Look at the Birdie is a collection of fourteen previously unpublished short stories from one of the most original writers in all of American fiction. In this series of perfectly rendered vignettes, written just as he was starting to find his comic voice, Kurt Vonnegut paints a warm, wise, and often funny portrait of life in post-World War II America—a world where squabbling couples, high school geniuses, misfit office workers, and small-town lotharios struggle to adapt to changing technology, moral

ambiguity, and unprecedented affluence. How do you plan the perfect murder? Belly up to the bar with Vonnegut's narrator and listen as a self-proclaimed "murder counselor" outlines his fool-proof program for getting rid of your enemies—and assuring yourself a guaranteed annuity income for life. Look at the Birdie and the thirteen other never-before-published pieces that comprise *Look at the Birdie* serve as an unexpected gift for devoted readers who thought that Kurt Vonnegut's unique voice had been stilled forever—and provide a terrific introduction to his short fiction for anyone who has yet to experience his genius.

Here for the first time is the complete short fiction of one of the 20th century's greatest writers. More than half of Vonnegut's output was short fiction, and never before has the world had occasion to wrestle with it all together. These 97 stories were written over a lifetime, from 1941 to 2007, and include those published during Vonnegut's lifetime in magazines and story collections; those published posthumously; and, here for the first time, five previously unpublished stories as well as a handful of others that were published online only and read by few.

'2 B R 0 2 B' is a short story by renowned science fiction writer Kurt Vonnegut. The title is pronounced as "2 B R naught 2 B", referencing to the famous phrase "to be, or not to be" from William Shakespeare's 'Hamlet'. In this story, the title refers to the telephone number one dials to schedule an assisted suicide with the Federal Bureau of Termination. The setting is a society in which aging has been cured, individuals have indefinite lifespans, and population control is used to limit the population of the United States to forty million. This is maintained through a combination of infanticide and government-assisted suicide. In short, in order for someone to be born, someone must first volunteer to die. As a result, births are few and far between, and deaths occur primarily by accident.

This is the second volume of Vonnegut's autobiographical writings—a collage of his own life story, snipped up and stuck down alongside his views on everything from suicidal depression to the future of the planet and Andrew Lloyd Webber. Honest, dark, rambling, funny; this rare glimpse of Vonnegut's soul is a dagger to the heart of Western complacency.

Vonnegut's first collection of short stories, includes 12 wickedly funny stories told as only Vonnegut can.

NEW YORK TIMES BESTSELLER • "For all those who have lived with Vonnegut in their imaginations . . . this is what he is like in person."—USA Today In a volume that is penetrating, introspective, incisive, and laugh-out-loud funny, one of the great men of letters of this age—or any age—holds forth on life, art, sex, politics, and the state of America's soul. From his coming of age in America, to his formative war experiences, to his life as an artist, this is Vonnegut doing what he does best: Being himself. Whimsically illustrated by the author, *A Man Without a Country* is intimate, tender, and brimming with the scope of Kurt Vonnegut's passions. Praise for *A Man Without a Country* "[This] may be as close as Vonnegut ever comes to a memoir."—Los Angeles Times "Like [that of] his literary ancestor Mark Twain, [Kurt Vonnegut's] crankiness is good-humored and sharp-witted. . . . [Reading *A Man Without a Country* is] like sitting down on the couch for a long chat with an old friend."—The New York Times Book Review "Filled with [Vonnegut's] usual contradictory mix of joy and sorrow, hope and despair, humor and gravity."—Chicago Tribune "Fans will linger on every word . . . as once again [Vonnegut] captures the complexity of the human condition with stunning calligraphic simplicity."—The Australian "Thank God, Kurt Vonnegut has broken his promise that he will never write another book. In this wondrous assemblage of mini-memoirs, we discover his family's legacy and his obstinate, unfashionable humanism."—Studs Terkel
