The content of the series is supported by alluring illustrations and attractive layout to lend to the visual appeal and also to enhance the learning experience. 5. A clear comprehensive list of learning objectives at the beginning of each chapter 6. A Kick off activity at the beginning of each chapter to set the pace for learning 7. Hand-on activities presented using the scientific methodology of having a clear aim and materials required along with recording and discussing the task at hand 8. A section on 'In Real Life' at the end of each chapter imparts value education and helps the learners become a better citizen 9. Evaluation tools in the form of test papers and model test papers in classes 1 to 5 and periodic assessments, half yearly paper and a yearly paper in classes 6 to 8.

These are just some of the questions you will find answered in this delightful collection of stories recounting real-life incidents from the life of Sudha Murty-teacher, social worker and bestselling writer. There is the engaging story about one of her students who frequently played truant from school. The account of how her mother's advice to save money came in handy when she wanted to help her husband start a software company, and the heart-warming tale of the promise she made-and fulfilled to her grandfather, to ensure that her little village library would always be well supplied with books. Funny, spirited and inspiring, each of these stories teaches a valuable lesson about the importance of doing what you believe is right and having the courage to realize your dreams.

The Panchatantra is an ancient Indian inter-related collection of animal fables. It is the oldest collection of Indian fables surviving. Both animals and human are portrayed as the characters of the Panchatantra tales. These extraordinary tales are liked, even loved by people of all age group because of the fact that they serve as the best guide to instill moral values in children.
