PROF CROFT A SERIES IN THE CROFTVERSE If Everson Croft sat beside you on the subway, you might notice his disheveled coat and burnt satchel, but you'd have no idea he was New York's hardest-working mage (or that his cat talked). Never properly trained, he's been learning on the job.

~~Black Luck Prof Croft Book 5 - orrisrestaurant.com~~

The year is 3048, Earth is no longer habitable, and man has fled to the stars where they've discovered the secret of immortality-Meridian. Unfortunately, the radioactive mineral is exorbitantly expensive and only available to a select few. A new class comprised of the super rich and immortal...

How did Everson Croft discover his powers? Let's go back to the night I turned thirteen, the night Grandpa filleted my finger with his cane sword. I can't say what terrified me more, the cold anger in his eyes or the crazy things in his locked study. A talking trunk. Squirming coats. A bookshelf whose titles shifted before my eyes. And one chilling title in particular: Book of Souls. Ten years later and I'm en route to a Romanian monastery, in search of that lost book. But I'm not the only one. Three others have beaten me to the local village: two researchers and... Well, I'm not sure who Flor is, other than Spanish, secretive, and sexier than a summer dress. Can I trust her - or any of them? I don't know, but we've got werewolves on our scent, not to mention an ancient curse hanging over the remote ruins. Getting there and back is going to require serious cooperation. Or serious magic. Book of Souls is a short prequel that can be read before or after Demon Moon (Prof Croft, Book 1)

If you can't stand the heat... When New York City unveils a program to roast supernaturals, I wonder if I should be sweating. The bloodthirsty Arnaud thinks so, and he's insisting that our survival depends on a wizard-vampire alliance. Never mind his history of wanting me dead. Or undead. Meanwhile, the mayor wants me on his team—an offer that's only slightly less unnerving given our recent clash. So who's really behind the purge? City Hall? The werewolves? Or is it the brainchild of the fae, whose newest advisor to the mayor slipped from my bed and life four months ago? I'm getting the cold feeling someone's trying to manipulate the program, and me, to set off a larger war, one that could explode through the city. One thing's for sure. If I don't get my head straight and my magic on, it's going to be a hell of a summer. Prof Croft Series Preq 0: Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage (spring 2017) The prequel can be read before or after book 1

A leading authority on abusive relationships offers women detailed guidelines on how to improve and survive an abusive relationship, discussing various types of abusive men, analyzing societal myths surrounding abuse, and answers questions about the warning signs of abuse, how to identify abusive behavior, how to know if one is in danger, and more. Reprint.

Author Ann Marie Walker brings you a laugh-out-loud romantic comedy that'll warm your heart for Singles Day (the true anti-Valentine's Day!) and every day after! Single and proud of it! Oh, oops... As a Certified Professional Organizer, everything in Paige Parker's world is as it should be. Perfect apartment, perfect office, perfect life. And now, the perfect vacation planned to celebrate Singles Day. After all, what's better than celebrating her pride in being single? Because who needs a man anyway? They have zero taste in quality television, leave the toilet seat up, and sleep with your best friend. No thanks. Her life is fine just the way it is. As the owner of a now-dormant bed & breakfast, single dad Lucas Croft finally has some peace and quiet. It's only him and his five-year-old daughter, which is just the way he likes it. Because who needs a woman anyway? They nag you to clean up your stuff, want the toilet seat put down, and expect the dishes to be done the same day the meal is cooked. No thanks. His life is fine just the way it is. But when Paige books a room that Lucas' well-intentioned sister listed without his knowledge, their two worlds collide. If they can survive the week together, they just might discover exactly what they've both been missing. "Adorable, romantic, funny, and sexy!"—Kirkus Reviews for Black Tie Optional

If we imagine multiple ways of being together, how might that shift choreographic practices and help us imagine ways groups assemble in more varied ways than just pairing another man with another woman? How might dancing queerly ask us to imagine futures through something other than heterosexuality and reproduction? How does challenging gender binaries always mean thinking about race, thinking about the postcolonial, about ableism? What are the arbitrary rules structuring dance in all its arenas, whether concert and social or commercial and competition, and how do we see those invisible structures and work to disrupt them? Queer Dance brings together artists and scholars in a multi-platformed project—book, accompanying website, and live performance series to ask, "How does dancing queerly progressively challenge us?" The artists and scholars whose writing appears in the book and whose performances and filmed interviews appear online stage a range of genders and sexualities that challenge and destabilize social norms. Engaging with dance making, dance scholarship, queer studies, and other fields, Queer Dance asks how identities, communities, and artmaking and scholarly practices might consider what queer work the body does and can do. There is great power in claiming queerness in the press of bodies touching or in the exceeding of the body best measured in sweat and exhaustion. How does queerness exist in the realm of affect and touch, and what then might we explore about queerness through these pleasurable and complex bodily ways of knowing?

In this funny, vulnerable, and all-too-real memoir, award-winning content creator and actress Avani Gregg takes you behind the scenes of her incredible life, sharing how a girl from small-town Indiana went on to become Tiktoker of the Year. With more than fifty million followers on social media; invitations to glamorous events around the world; awards, magazine covers, and even her own makeup line—Avani Gregg never imagined this wild ride for herself. After all, she was just from a small town, spending her time hanging with friends and family and combing thrift-store racks for finds. It only took one video—her famous "Clown Girl Check"—and she suddenly found herself vibing as one of the original Hype House creators. "People think I exploded overnight," the eighteen-year-old TikTok sensation says. "But they don't know the half of it. They don't know what came before or after. They don't know my Backstory." In this eye-opening memoir, Avani shares the ups and down of her remarkable life, including the devastating back injury that forced her to retire from gymnastics and abandon her dreams of Olympic gold. In the aftermath, struggling to make sense of it all, she found her calling: creating jaw-droppingly dramatic makeup looks on social media that leave her "Bebbs" begging for more. Diving deep into topics like mental health, relationships, bullying, and more, Avani shares her private sketchbook and most intimate thoughts: "There's a lot we all think and feel but are afraid to say out loud. Well, I'm saying it...and it's gonna get deep." This is the unfiltered, revealing, and deeply inspiring Backstory of someone with big dreams and how she worked to achieve them. And Avani is not holding back.

San Quentin State Prison, California's oldest prison and the nation's largest, is notorious for once holding America's most dangerous prisoners. But in 2008, the Bastille-by-the-Bay became a beacon for rehabilitation through the prisoner-run newspaper the San Quentin News. Prison Truth tells the story of how prisoners, many serving life terms, transformed the prison climate from what Johnny Cash called a living hell to an environment that fostered positive change in inmates' lives. Award-winning journalist William J. Drummond takes us behind bars, introducing us to Arnulfo García, the visionary prisoner who led the revival of the newspaper. Drummond describes how the San Quentin News, after a twenty-year shutdown, was recalled to life under an enlightened warden and the small group of local retired newspaper veterans serving as advisers, which Drummond joined in 2012. Sharing how officials cautiously and often unwittingly allowed the newspaper to tell the stories of the incarcerated, Prison Truth illustrates the power of prison media to humanize the experiences of people inside penitentiary walls and to forge alliances with social justice networks seeking reform.

A Missing Ferryman. An Undead Dilemma. An Immortal Detective. An emissary from the Dark Council has just materialized in the office of the Montague & Strong Detective Agency,

Read Free Black Luck Prof Croft Book 5

and makes Simon Strong an offer he can't refuse. Charon is missing. The legendary ferryman responsible for transporting souls across the river Styx hasn't been seen in days. And with each passing hour, those unable to cross the river are left to walk among the living, tilting the world further out of balance. Meet Simon Strong, an immortal, who is also the best private detective in New York City. Together with his surly partner-Tristan Montague, a mage of indeterminate age, they must find the Ferryman and get him back to work before another Supernatural War ravages the earth, destroys humanity, and Simon's local coffee shop. Time is running out. His landlord wants the rent and Karma with a capital K is paying him a visit, and she can be a real... Join the Montague & Strong Detective Agency and help them locate Charon, so he can restore balance to the universe, put the dead to rest, and maybe solve the age-old conundrum-coffee or tea?

The gods are dying. But for one man, death is only the beginning. Murdered as a ritual sacrifice, amateur thief and professional charmer Dustin Graves mysteriously survives, finding himself gifted with strange, dark magic. Then more dead bodies turn up. Some are human, but one is a god of the old world, slain at his own doorstep. Mortal or divine, the bloodshed must end, and Dust is the mage for the job. But first he must contend with a succubus, a talking sword, a spider queen, a goddess of magic, and eldritch abominations from beyond the stars. No big deal... right?

'Cause sometimes luck ain't enough In the year since the Whisperer's attack, I've been busting my hump to become my best wizard, like my father. Now I'm ready for a test. When a dark mage starts planting infernal bags around New York City, I get my wish. Like time bombs, the bags detonate without warning, spawning demonic beings that rip the souls of innocents from their bodies. And the attacks are accelerating. Meanwhile, a new wizard has come to town. A recent addition to the Order, Pierce is everything I'm not: refined, self-assured, and adept at magic. He even has Detective Vega blushing. If riling my resentment wasn't enough, he's trying to shoulder me out of my own case, stoking my suspicions. With the race to stop the dark mage growing more desperate by the minute, I need to prove that I'm the wizard to get it done - not Pierce. And without relying on my luck quotient. That saying about being careful what you wish for? It's there for a reason. BOOKS IN THE CROFTVERSE Blue Wolf Series Book 1: Blue Curse Book 2: Blue Shadow - More to come!
