Focus on the financial concepts, skills, and technological applications that are most critical for MBA students in today's workplace with Ehrhardt/Brigham's CORPORATE FINANCE: A FOCUSED APPROACH 5E. The text provides an in-depth treatment of essential corporate finance topics within a streamlined presentation that can be completed in a single semester. With its relevant and engaging presentation and numerous examples, students will learn the latest financial developments as they also learn how to maximize a firm's value in today's changing business world. Students will master the many features and functions of spreadsheets with chapter Excel Tool Kits, Build a Model problems, and Mini Cases that encourage "what-if" analysis on a real-time basis. Students will also gain hands-on experience using Thomson ONE Business School Edition, which gives students access to the same Thomson Reuters Financial database that business professionals use every day. As part of its comprehensive product package, Ehrhardt/Brigham's CORPORATE FINANCE: A FOCUSED APPROACH 5E includes CengageNOW and the best-selling Aplia™ Finance as optional learning solutions that complement the book's focused presentation of corporate finance fundamentals, support course needs and outcomes, and help students become "First in Finance". Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Continuing the four goals from the first edition, i.e. helping students to make good financial decisions, providing a solid text for the introductory MBA course, motivating students by demonstrating finance is relevant and interesting, and presenting the material clearly, this Tenth Edition promises to be the best yet. Written by a highly-acclaimed, best selling, author team, this text remains the only MBA-level text to present a balance of financial theory and applications.

Completely up to date, the Study Guide gives you the additional practice and support you need to master text material and earn the grade you want. It outlines key chapter content and contains Self-Test Questions and Self-Test Problems to test your knowledge and application of text concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Intended for use in an introductory finance course, this textbook emphasizes the skills needed to make good financial decisions. It outlines fundamental concepts and provides detailed discussions of topics like securities, corporate valuation, strategic investment, and working capital management. Two CD-ROMs contain displays, tools kits, models, files, spreadsheets, and reference materials. Brigham teaches at the University of Florida. Ehrhardt teaches at the University of Tennessee.
