The Wall Street Journal, USA Today, and BusinessWeek bestseller Bank On Yourself: The Life-Changing Secret to Growing and Protecting Your Financial Future reveals the secrets to taking back control of your financial future that Wall Street, banks, and credit card companies don ' t want you to know. Can you imagine what it would be like to look forward to opening your account statements because they always have good news and never any ugly surprises? More than 100,000 Americans of all ages, incomes, and backgrounds are already using Bank On Yourself to grow a nest-egg they can predict and count on, even when stocks, real estate, and other investments tumble. You ' ll meet some of them and hear their stories of how Bank On Yourself has helped them reach a wide variety of short- and longterm personal and financial goals and dreams in this book.

A DISCIPLINED STRATEGY FOR AVOIDING MAJOR DOWN MARKETS AND PARTICIPATING IN BULLISH MARKETS Your financial advisor's strategy to buy-and-hold a diversified equity portfolio sounded good. Diversification promised to protect your wealth. Now, however, more than a decade of hard data shows it didn't work. And, more than likely after a decade of multiple financial shocks and crashes, your account balance is not what you hoped it would be when you started saving years ago. Much of your investment life has been spent just trying to make back what was lost. Win By Not Losing reveals how you can make smarter, more profit table investments by first protecting your capital from major bear equity markets. It also shows you how to identify major bullish equity market trends and guides you on how best to participate. By avoiding the major downs and catching the ups, your portfolio compounds gains and allows you to achieve your financial goals. Chasing returns leads to the poorhouse. With this book's disciplined system for knowing when to buy, what to buy, and when to sell, you can build and protect your portfolio through active management techniques. It walks you step-by-step through growing your portfolio in bull and bear market cycles. You will master a concrete investing method that lets you trade with emotionless confidence and precision. Packed with links to online resources and personal tips from successful, high-profile traders, Win By Not Losing gives you everything you need to: Identify the market metrics that are important to building wealth Detect and measure the market signals foreshadowing major moves Build a portfolio with strong downside protection, full transparency, immediate liquidity, low fees, and incredible risk-adjusted returns Your portfolio returns will continue to be disappointing unless you act. It's time to make up for lost profits by taking an active, professional, and nonemotional portfolio management approach to avoid major losses and capture gains. Win By Not Losing provides everything you need to build wealth in today's stock market. Stop watching your money rise and fall without signifi cant net gain with a "buy-and-hold" strategy and optimize your positions as market sentiment changes. In a nonappreciating market, investors must actively manage equities to acquire gains. Win By Not Losing presents an active approach that uses rigorous risk-management techniques to preserve your wealth and generate high returns in all equity market environments. Prominent authors and lecturers Nick Atkeson and Andrew Houghton have culled the best of their work to help you revitalize your trading habits, protect your capital, and beat the market. Through real-world stories demonstrating fi nancial theory in action and how-to instructions for executing their strategic investment approach, these expert authors enable you to: Achieve sizable returns through an investment strategy equally focused on when to invest and when to sell Avoid major down markets and fully benefit from major up markets Access unique financial information to help you stay current, think ahead, and build and protect your wealth Whether you're an independent investor or a professional financial advisor, this refreshing look at investing will change the way you see the markets. Forget what you know about modern portfolio theory and trade to make money in today's markets with Win By Not Losing. "Anyone with some experience in the stock market, especially the person who wants to move beyond a buy and hold strategy, can find useful tidbits in this book. " ReadingTheMarkets.com

Too many people have fears and other unhealthy emotions around money. Whether you were born rich, poor or somewhere in-between, money has always been an integral part of your life. However, too many people have fears and other unhealthy emotions around money. These debilitating beliefs are most often subconscious, shaped by a lifetime of early experiences seen through other people-not based on objective reality. Can you break free from these restrictive beliefs and emotions, be able to "dream big"-and actually accomplish your hopes and dreams? The answer is yes: Now, finally, there is a way to harness the powerful energy around money and build real wealth. Julie Marie Murphy's new book, Awaken Your Wealth: Creating a PACT to Optimize Your Money and Your Life, is a common-sense approach to financial goals. Her easy-to-follow guide will show you how to create a life of financial independence and freedom. Awaken Your Wealth is a companion to Julie Murphy's award-winning 2008 best-seller, The Emotion Behind Money: Building Wealth from the Inside Out. A highly regarded CERTIFIED FINANCIAL PLANNER(R) (CFP), it was in the process of healing her own debilitating beliefs that Julie discovered we all create our own 'stories' or expectations about money and wealth. Julie's 'story' was that there was only a limited supply to go around, and that only certain kinds of high-born people or those who "struck it rich" could ever become wealthy. Once she recognized the negative power of these subconscious beliefs, Julie was able to unlearn her own limiting attitudes. In the process she developed the PACT system. Based on that system, Julie has built a lifetime of emotional and spiritual satisfaction in her own life-and attracted extraordinary prosperity. After seeing how the PACT system worked for her clientele, her desire to share it became her life's work. Now the keys to Julie Murphy's evolution are offered to you, complete with relatable anecdotes and thought-provoking, game-changing exercises. In Awaken Your Wealth Julie will show you: - How to build real wealth by changing your own story or attitude around money. - How to set yourself free from limiting beliefs. - How to develop a fresh approach to money and wealth. - How to create a new and positive energy that allows money to find you. - How to set yourself on the path to true abundance and peace-of-mind. Julie Murphy's book offers you the means to achieve your financial goals more rapidly than you ever thought possible. Whether you are just starting out or are near retirement, the amazing PACT system puts within reach the fulfillment and financial freedom you richly deserve. Begin your journey to Awaken Your Wealth! today.

The Wealthy Physician is an informative and exciting new book for the physician and all other professionals. Finally you have a one stop guide to help make complex financial decisions easier to understand!The objective of the book is nothing more and nothing less than to give the educated medical professional a solid and easy-to-understand track to run on.www.wealthyphysicianbook.com----- " With this little book, THE WEALTHY PHYSICIAN, Chase Chandler has done an exceptionally good job of producing an essential outline for all professionals as they develop their financial future. This work can be equally valuable to those who have been led astray by the conventional wisdom that has plagued mankind since the beginning of time. I encourage all to study the wisdom that Chase has incorporated here. " R. Nelson Nash, Austrian Economist,Best-Selling Author of BECOMING YOUR OWN BANKER and, the recently released, BUILDING YOUR WAREHOUSE OF WEALTH " I have recently finished my residency in orthopaedic surgery. I now face a mountain of debt along with many other pressures in getting my career started. Add to that the fact that nowhere in medical school or residency training is there a useful section on managing money efficiently. Thankfully, Chase has spelled it all out in his book The Wealthy Physician. It was a very easy read, and it lays out effective strategies in a simple, easy to understand terms. Additionally, Chase on a personal level has been great on giving sound advice. It is refreshing to see an advisor who truly is out for the client first and foremost. I am looking forward to employing these strategies as laid out in the book as I embark on my career. " Val Irion, M.D. " Our way of thinking about money and savings has forever changed thanks to Chase. We are in the process of achieving a level of financial independence and security that I never thought was possible. " Amanda Caldwell, Pharm.D. " Teaching at the university level, I am always looking for sources to use with my students. Your book will be one I use in my administration class for health care professionals and I will highly recommend it to my students as a helpful source as they deal with personal finance issues. I sat down and read it through as soon as I got it. It is easy to understand and gives sound advice that even someone that is not into finance will find helpful. I look forward to others in the series. A job well done! " Randy Lambeth, Ed.D., ATC, LAT

Would you rather earn interest than pay it, and eliminate the necessity of paying fees to banks and jumping through hoops to get loans? Are you frustrated with being over-taxed and/or being dependent on a volatile stock market? Do you suspect that the ultra-wealthy play by a different set of rules than you do, and that their secrets have been kept just out of your reach? What would it mean to you and your family if you knew these rules to play by them too?
