Fashion Promotion fully examines what's required for a 21st century fashion brand to make its mark and stay visible in a shifting consumer landscape.

Fashion Promotion is an inspiring and practical guide to promoting a brand. It addresses the new ways in which brands engage with customers, through the latest digital channels as well as traditional methods. Topics covered include developing a brand from an original idea, the impact of blogging and street style sites, digital fashion, online and offline marketing techniques, creating the vision behind a brand, and public relations. From marketing, PR and collaboration to creating brand visuals, Fashion Promotion guides readers through the ways in which any brand - large or small - can embrace the opportunities brought about by developments in digital communication, in order to engage with consumers in new and exciting ways. The new edition covers the impact of mobile on fashion retail transactions and marketing, the role for virtual and augmented reality and the increasing importance of sustainable production and distribution.

Fashion Promotion is an inspiring and practical guide to promoting a brand. From marketing, PR and collaboration to creating brand visuals, Fashion Promotion guides readers through the ways in which any brand - large or small - can embrace the opportunities brought about by developments in digital communication, in order to engage with consumers in new and exciting ways.

Containing fully updated and beautifully illustrated need-to-know info, this revised second edition of the bestselling textbook on fashion buying contains everything today's fashion management student needs to give them a clear head-start in this lucrative but highly competitive industry. Fashion Buying uniquely looks at what fashion buying entails in terms of the activities, processes and people involved - from the perspective of the fashion buyer. The book breaks down the five key areas of buying activity for those wishing to pursue a career in the industry, crucially exploring the role of the fashion buyer, sources of buying inspiration, sourcing and communication, merchandise planning and trends in fashion buying. Featuring completely revised content on retail typology (including need-to-know info on demographics, price points and markets), and selecting and buying garments (line sheets, purchase orders and lookbooks), Fashion Buying now includes valuable new sections on customer profiling, merchandise pricing (mark-ups, markdowns and how pricing is calculated for profit), and trends. Also included in this practical handbook are insightful interviews with both established and emergent fashion creatives. Business case studies put the contents of each chapter into professional context and provide insider perspective; while industry-focused exercises and activities enable readers to practise applying their new skills and so gain a competitive advantage in both their studies and buying careers. Written by industry experts, Fashion Buying is an invaluable go-to resource and leading textbook for fashion design, marketing, buying and merchandising students.

If you're taking your first steps into the fast-paced world of retail, then merchandiser, store designer, retailer and educator Dimitri Koumbis is the ideal guide. In An Introduction to Fashion Retailing, he'll walk you through everything from the history of retail design, to the intricacies of consumer behavior, fast fashion and corporate social responsibility. You'll also learn professional techniques through detailed case studies of international retailers, including LVMH, Est é e Lauder and ASOS. This revised edition includes expanded coverage of omnichannel retail approaches, retail KPIs as well as an outline of future retail trends in brick and mortar, e-commerce and technology. There's also a whole new chapter introducing visual merchandising, expanding on the importance of the store's overall design and visual representation of products.

Revised edition of Visual merchandising and display, c2012.

Social Media for Fashion Marketing uses cutting edge case studies and detailed interviews to show how the business of fashion is changing in the digital landscape. Bandoni (@BandoniStyle) also considers the psychological impact of being a hyper-connected consumer and the generational gaps in social media communication. Using academic research, alongside her 25 years of fashion marketing experience, Bandoni offers a clear picture of the changing narrative of storytelling, social confirmation, digital nesting and how to use data to shape a brand's online presence. With practical and critical thinking activities to hone your skills into professional practice, this is the ultimate guide to social marketing, promotion, SEO, branding and communication. Featured topics - Rules of Digital Storytelling - Rethinking Gamification - Strategic Digital Marketing - The

Styling explains how to analyse fashion collections, the importance of cultural and historical research, and the skills required to style for catalogues, advertisements and magazines.

Highlighting the skills and considerations needed to manage products, this book will also help readers to understand processes such as product development, the supply chain and branding. It examines traditional and newer roles within the industry, discussing the roles of buyers, retailers and merchandisers. Interviews, photographs and case studies combine to make this an exciting and current career guide.

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.” —*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. *The Home Edit* walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).
