The Collaborative Assessment

Page 41/60

Online Library Cam

and Management of Suicidality (CAMS) approach has garnered a strong evidence base and has been implemented by thousands of therapists from a range of orientations in diverse clinical settings. This

Online Library Cam

extensively revised manual provides a proven therapeutic framework for evaluating suicidal risk and developing and implementing a suicide-specific treatment plan that is respectful, empathic, and empowering. In

Online Library Cam

addition to their clinical utility, the procedures used for assessment, treatment, and progress monitoring within CAMS can help reduce the risk of malpractice liability. In a large-size format for easy

Online Library Cam

photocopying, the book includes all needed reproducible tools for implementing CAMS, including the Suicide Status Form-4. Purchasers also get access to a Web page where they can download and print the

Online Library Cam

reproducible materials. For CAMS training opportunities with David A. Jobes, visit <http://cams-care.com>. New to This Edition *Incorporates a decade's worth of extensive clinical research. *Fully revised with a greater focus

Online Library Cam

on CAMS as a framework for clinical intervention--not just assessment. *In-depth case example followed throughout the book.

*Describes innovations to the approach, such as how to target and treat patient-

Online Library Cam

defined "suicidal drivers."

*Additional reproducibles
(CAMS Therapeutic Worksheet
and CAMS Rating Scale), plus
a new version of the Suicide
Status Form.
