Criminal Investigation Handbook now contains critical information you need to know about use of the internet in perpetrating a computer crime -- especially cybercrime - and websites, e-mail addresses, and databases you can use in your investigation! It provides you with current information in a format that is easy to understand and apply to your investigation. Whether you are a law enforcement officer, prosecutor, or criminal defense lawyer, you will find the information in this book useful to your case. Covering the practical aspects of an investigation as well as pertinent legal analysis - and including a wealth of illustrations, checklists, and forms - this title will prove itself invaluable to your case.

This handbook provides guidelines to assist special agents in the performance of their duties. It is intended as a training aid for new special agents and a reference book for the more experienced agents. Cases are cited through the text. A Table of Cases is listed in alphabetical order. Exhibits are included.

Crime scene investigators are the foundation for every criminal investigation. The admissibility and persuasiveness of evidence in court, and in turn, the success of a case, is largely dependent upon the evidence being properly collected, recorded, and handled for future analysis by investigators and forensic analysts in the lab. Complete Crime Sce

This book provides the most comprehensive and authoritative book yet published on the subject of criminal investigation, a rapidly developing area within the police and other law enforcement agencies, and an important sub discipline within police studies. The subject is rarely out of the headlines, and there is widespread media interest in criminal investigation. Within the police rapid strides are being made in the direction of professionalizing the criminal investigation process, and it has been a particular focus as a means of improving police performance. A number of important reports have been published in the last few years, highlighting the importance of the criminal investigation process not only to the work of the police but to public confidence in this. Each of these reports has identified shortcomings in the way criminal investigations have been conducted, and has made recommendations for improvement . The Handbook of Criminal Investigation provides a rigorous and critical approach to not only the process of criminal investigation, but also the context in which this takes place, the theory underlying it, and the variety of factors which influence approaches to it. It will be an indispensable source of reference for anybody with an interest in, and needing to know about, criminal investigation. Contributors to the book are drawn from both practitioners in the field and academics.
