Crucible : Star Wars Legends by Troy Denning. Han Solo, Leia Organa Solo, and Luke Skywalker return in an all-new Star Wars adventure, which will challenge them in ways they never expected--and forever alter their understanding of life and the Force. When Han and Leia Solo arrive at Lando Calrissian's Outer Rim mining operation to help him thwart a hostile takeover, their aim is just to even up the odds and lay down the law.

Crucible : Star Wars Legends by Troy Denning

As mentioned by another reviewer, I very much believe Troy Denning is one of THE best EU authors that Star Wars has. When another author has let me down and Troy's book is next in the series, I often get excited knowing the tale will be that little bit sweeter for the remainder of the book. Crucible however left me feeling just a tad bit unsatisfied.

Crucible by Troy Denning - Goodreads

Star Wars: Crucible is a Star Wars novel written by Troy Denning, released by Del Rey Books on July 9, 2013. Featuring Luke Skywalker, Han Solo and Leia Organa Solo, it is set 45 years after the 1977 film Star Wars. Plot

Crucible: Star Wars Legends by Troy Denning - Audiobooks ...

It certainly isn't one of Troy Denning's better Star Wars books (he has written a couple of the best ones), but, for the most part, it is an enjoyable romp that covers most of what might be expected of a Star Wars novel. It focuses primarily on Luke, Leia and Han, who are, perhaps, the main three characters from the original trilogy of films.

When Han and Leia Solo arrive at Lando Calrissian's Outer Rim mining operation to help him fend off a hostile takeover, they join forces with Luke Skywalker to confront a dangerous adversary with evil intentions and a vendetta against Han.

The stunning follow-up to *Fate of the Jedi!* Han Solo, Luke Skywalker, and Princess Leia have spent a lifetime fighting wars, bringing the Jedi back from extinction, raising families, and saving the galaxy more times than they can count. They've earned the right to rest on their laurels and let the younger generation shoulder the burden—but fate has another adventure in store for our heroes, a quest only they can tackle and hope to survive...

A major follow-up to the *Fate of the Jedi* series finds maturing heroes Han Solo, Luke Skywalker and Princess Leia continuing their efforts to restore the Jedi Order and end the war with the Empire only to be embroiled in a dangerous quest that threatens their survival.

NEW YORK TIMES BESTSELLER Han Solo, Leia Organa Solo, and Luke Skywalker return in an all-new Star Wars adventure, which will challenge them in ways they never expected—and forever alter their understanding of life and the Force. When Han and Leia Solo arrive at Lando Calrissian's Outer Rim mining operation to help him thwart a hostile takeover, their aim is just to even up the odds and lay down the law. Then monstrous aliens arrive with a message, and mere threats escalate into violent sabotage with mass fatalities. When the dust settles, what began as corporate warfare becomes a battle with much higher stakes—and far deadlier consequences. Now Han,

Leia, and Luke team up once again in a quest to defeat a dangerous adversary bent on galaxy-wide domination. Only this time, the Empire is not the enemy. It is a pair of ruthless geniuses with a lethal ally and a lifelong vendetta against Han Solo. And when the murderous duo gets the drop on Han, he finds himself outgunned in the fight of his life. To save him, and the galaxy, Luke and Leia must brave a gauntlet of treachery, terrorism, and the untold power of an enigmatic artifact capable of bending space, time, and even the Force itself into an apocalyptic nightmare. Praise for Crucible “[Troy] Denning opens new pathways of adventure and recaptures the feel of the Star Wars universe and its beloved characters.”—Library Journal “Outstanding . . . an adventure that tantalizes the imagination.”—Roqoo Depot “A fun, fast paced take on some of Star Wars’ most iconic characters.”—The Founding Fields

The first volume in a new, nine book series launches a huge story arc with heroic roles for the galaxy's most beloved characters as Han Solo, Luke Skywalker, Leia Organa Solo and their surviving children set off on a journey of discovery and hardship, of obstacles and victories, and the aftermath of the civil war that rocked the galaxy.

Luke Skywalker leads an assault against the Lost Tribe of the Sith in order to protect Coruscant and the Galactic Alliance, a confrontation that poses unprecedented threats to his Jedi Order.

In the explosive conclusion to the Dark Nest trilogy, Luke Skywalker summons the heroes of the New Jedi Order from near and far, as the Star Wars galaxy teeters on the edge of eternal war. Yet even the combined powers of the formidable Jedi may not be enough to vanquish the deadly perils confronting them. The Chiss-Killik border war is threatening to engulf the entire galaxy and raising the awful specter of Killiks sweeping across space to absorb all living creatures into a single hive mind. The only hope for peace lies with the Jedi—and only if they can not only end the bloodshed between two fierce enemies but also combat the insidious evil spread by the elusive Dark Nest and its unseen queen. Leia’s newly acquired Jedi skills will be put to the ultimate test in the coming life-and-death battle. As for Luke, he will have to prove, in a lightning display of Force strength and swordplay, that he is—beyond a shadow of a doubt—the greatest Jedi Master in the galaxy. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

As the forces of darkness threaten to engulf the galaxy, one last defiant spark remains. . . . Though the Yuuzhan Vong were victorious in their savage conquest of the planet Duro, they failed to extract sensitive information from Leia Organa Solo, who now barely clings to life after enduring the enemies' torture. Unless she receives medical attention soon, the badly wounded Princess and former head of the New Republic will surely die. Pursued by bounty hunters, Han Solo begins a race against time, only to find his urgent pleas for help rejected by planet after planet, as the Jedi are blamed for the continuing fight against the seemingly invincible aliens. Desperate, the Solos decide on a suicide mission. They must reach Coruscant, the New Republic's strife-ridden capital where traitors, appeasers, and assassins now share the same goal as the fierce Yuuzhan Vong: kill all Jedi... BONUS: This short story also features an excerpt from Star Wars: New Jedi Order: Edge of Victory I: Conquest.

As civil war spreads throughout the galaxy, the Solo/Skywalker clan confronts its own challenges, as Jacen Solo, now a full Sith Lord, seizes control of the Galactic Alliance and Luke Skywalker must decide whether or not to support Jacen or to join the re

No war can last forever. Now, in the long and punishing battle between the defiant champions of the New Jedi Order and the juggernaut that is the Galactic Alliance, the endgame is finally at hand. With so much lost—and nothing less than the course of the future still at stake—there can be no turning back. No matter the consequences. The rebel cause is losing ground under the twin blows of Admiral Gilad Pellaeon’ s assassination and the death of Mara Jade Skywalker. At the same time, having gained the support of the Imperial Remnant and its ruthlessly efficient forces, the Galactic Alliance, with the extraordinary power and dark brilliance of newly ascendant Sith Lord Darth Caedus at its helm, may be unstoppable. Tormented and torn between the call of duty and the thirst for vengeance, Luke has searched the Force and beheld an unspeakable vision of the galaxy enslaved under tyranny more monstrous than even Palpatine’s. Now it seems that the last, best hope lies in mobilizing the scattered Jedi for one decisive search-and-destroy mission. The objective: eliminate Darth Caedus. It’s a plan that will be as difficult and dangerous to execute as it is daring. For Caedus is a scion of both the Skywalker and Solo bloodlines whose command of the Force surpasses even that of his grandfather Darth Vader. There is only one who is bound by destiny to stand against him in what will surely be a duel to the death, only one with an outside chance of bringing down the dark lord who was once Jacen Solo. Failure is not an option. The furious final moments between power and peace are here, and whoever confronts Darth Caedus will decide the outcome—and the fate of those left standing. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!
