Dad’s like a rock - he always helps. Such happy memories, such glorious days - and a lifelong love. A gift for a dad who means so much.

Traditional sentiment

Dads are funny people. But one thing’s for sure, dads care. They worry. They support you in everything you do. This little book gives them the praise they deserve. The perfect gift for a dad.

Here’s a delightful little book in praise of dads, written with love and affection by children. The words and illustrations are the genuine work of children, sent to us by their teachers. The joy, the laughter, the fun of being with Dad shine through almost every picture and every piece of writing. A Dad is very special - he deserves this little tribute. A Dad does so much: here’s one little book that says, “Thank you. I love you!”
