A new collection of linked short stories from Charlaine Harris, the #1 New York Times bestselling author of the Sookie Stackhouse books, the basis for HBO's True Blood, and the Midnight Crossroad series, the inspiration for Midnight, Texas on NBC. Principal Anne DeWitt knew her past could catch up with her, but she

didn't expect it would make her late for school. Killing a man does take time though; so does disposing the body . . . if you do it right. After three relatively quiet years at Travis High School, it seems Anne is in danger of being exposed—even the baseball coach knows more about her former life than she ever imagined. Now,

she must find out who else holds her secrets and who wants her to pay for them.

. .without letting it make her tardy again.

Anne still has a school to run, parents to manage, and a few students who might benefit from her unique—and deadly—experience. Collected together for the first time in *Small Kingdoms* and

The importance of effective and well-planned presidential transitions has long been understood. The Presidential Transition Act of 1963 provided a formal recognition of this principle by providing the President-elect funding and other resources "To promote the orderly transfer of the executive power in connection with

the expiration of the term of office of a President and the Inauguration of a new President." The Act received minor amendments in the following decades, but until 2010 all support provided was entirely post-election. The Pre-Election Presidential Act of 2010 changed this by providing pre-election support to

nominees of both parties. Its passing reinforced the belief that early transition planning is prudent, not presumptuous. The Romney Readiness Project was the first transition effort to operate with this enhanced pre-election focus. While Obama's re-election prevented a Romney transition from occurring, it is hoped that
