reading and research to generating ideas, organizing thoughts, structuring a draft essay, and revising for clarity and eloquence. If you want to improve the quality of your essays, you will find clear, helpful advice in this easy-to-use guide.

A creative writing class in a book -REVISED. Major revisions take this popular Complete Idiot's Guide to a new level, offering readers a better way to unlock their creativity from the first page. Exercises help them explore their talents and experiment with different genres and forms of writing, including short stories, narrative fiction, memoirs, magazine articles, poetry, drama, blogging, and freewriting.

Paragraph Development helps students edit their own writing for clarity and accuracy and offers a three-phase strategy for building writing skills through planning, writing, and revising. The approach in each chapter is direct and functional: a model is provided and graphically explained, then students use the model to write their own paragraphs.-- Offers controlled information-transfer exercises, a choice of writing topics, and peer consultation and writing-evaluation methods.

BUILDING WRITING SKILLS THE HANDS-ON WAY, 1st Edition teaches you the skills you need to become a college-level writer, reader, and critical thinker. The book takes the grr out of grammar, provides helpful instruction on writing sentences and paragraphs, and makes the essay writing process clear by leading you through lessons that include engaging hands-on activities. The friendly, informal tone makes the book easy to read, and the real-world examples and exercises are drawn from a variety of life experiences and perspectives. In short, this book makes the learning process more fun, less intimidating, and more effective.
