Serial No. 90-14. Considers the following bills to amend Merchant Marine Act. H.J. Res. 751, to authorize Commerce Dept to guarantee loans to National Maritime Historical Society for restoration of square rigged merchant ship Kaiulani. H.R. 13368 and eight identical and related bills, to extend Federal vessel construction aid to include certain inland waterway vessels. Aid would enable construction of passenger vessel to replace aging riverboat Delta Queen. H.R. 11354, to increase mortgage insurance loans for certain oceangoing tugs and barges.

Many changes have occurred in the twenty-five years that have passed since the enactment of the Money Laundering Control Act of 1986. The law has been amended, new underlying crimes have been added, and court decisions have modified its scope. The Act remains an important tool in combating criminal activity. Now in its third edition, Money Laundering: A Guide for Criminal Investigators covers the basics of finding ill-gotten gains, linking them to the criminal, and seizing them. Providing a clear understanding of money laundering practices, it explains the investigative and legislative processes that are essential in detecting and circumventing this illegal and dangerous activity. Highlights of the Third Edition include Important court decisions and changes in federal law since the Second Edition New trends in crime and terrorism financing The rise of money laundering in connecting with major frauds, including the Bernie Madoff case Law and policy shifts related to terrorism and financing since the Obama administration New methods for financial intelligence and the filing of Suspicious Activity Reports How changes in technology have enabled launderers to move funds more easily and anonymously Knowledge of the techniques used to investigate these cases and a full understanding of the laws and regulations that serve as the government's weapons in this fight are essential for the criminal investigator. This volume arms those tasked with finding and tracing illegal proceeds with this critical knowledge, enabling them to thwart illegal profiteering by finding the paper trail.

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Mortgage banking is one of the fastest growing industries in the country. In the next few years, home purchases are expected to run into the trillions, creating more opportunity than ever for people seeking a career in this profitable industry. Real estate author, columnist, and veteran mortgage banker David Reed offers practical advice on licensing and educational requirements, as well as valuable guidance on the different career options available as a mortgage broker, mortgage banker, correspondent mortgage banker, and more.

Finding a condo, co-op, or townhouse to call home is hard enough, but finding financing to buy this kind of property is even more challenging. As a veteran mortgage banker and author ofMortgages 101, David Reed has helped thousands of buyers through this complicated process.Financing Your Condo, Co-op, or Townhouse offers readers invaluable advice, including information on developer financing, specialty loans, government programs and refinance loans, streamlining the approval process, appraisals, closing costs, and more. Readers will discover: * the differences among condos, co-ops, and townhouses * how to find the right type of property for them * the rules governing loans for condos, co-ops and townhouses * how to evaluate which loan type is best and lock in the lowest rate * why the percentage of owner-occupied units is important * what to consider when buying new construction or conversion properties * the financial considerations unique to each type of home Whatever the property, whatever the question...this handy guide to financing has the answers.
