Contains letters written by Flannery O'Connor.

For those looking to deepen their appreciation of Flannery O'Connor, Wood shows how this literary icon's stories, novels, and essays impinge on America's cultural and ecclesial condition.

During the 1950s and early 1960s Flannery O'Connor wrote more than a hundred book reviews for two Catholic diocesan newspapers in Georgia. This full collection of these reviews nearly doubles the number that have appeared in print elsewhere and represents a significant body of primary materials from the O'Connor canon. We find in the reviews the same personality so vividly apparent in her fiction and her lectures--the unique voice of the artist that is one clear sign of genius. Her spare precision, her humor, her extraordinary ability to permit readers to see deeply into complex and obscure truths-all are present in these reviews and letters.

Now in paperback--Carlene O'Connor's fifth book in the USA Today bestselling Irish Village Mystery Series sends Garda Siobhán O'Sullivan to a superstitious rural village for a murder investigation in which the prime suspects happen to be fairies... Family is everything to Siobhán: her five siblings; her dearly departed mother for whom the family business, Naomi's Bistro, is named; and now her fiancé, Macdara Flannery. So precious is her engagement that Siobhán wants to keep it just between the two of them for a little longer. But Macdara is her family, which is why when his cousin Susan frantically calls for his help, Siobhán is at his side as the two garda rush from Kilbane to the rural village where Susan and her mother have recently moved. Unfortunately, tragedy awaits them. They find Susan, who is blind, outside the cottage, in a state. Inside, Aunt Ellen lies on her bed in a fancy red dress, no longer breathing. A pillow on the floor and a nearby teacup suggest the mode of death to their trained eyes: the woman has been poisoned and smothered. Someone wanted to make sure she was dead. But who? Devout believers in Irish folklore, the villagers insist the cottage is cursed--built on a fairy path. It turns out Ellen Delaney was not the first to die mysteriously in this cottage. Although the townsfolk blame malevolent fairies, Siobhán and Macdara must follow the path of a murderer all too human--but just as evil...

These letters by the National Book Award-winning short story writer and her friends alternately fit and break the mold. Anyone looking for Southern literary gossip will find plenty of barbs. . . . But there's also higher-toned talk on topics such as the symbolism in O'Connor's work and the nature of free will.❄️Kirkus Reviews ❄️A fascinating set of Flannery O'Connor's correspondence . . . The compilation is highlighted by gems from O'Connor's writing mentor, Caroline Gordon. . . . While O'Connor's milieu can seem intimidatingly insular, the volume allows readers to feel closer to the writer, by glimpsing O'Connor's struggles with lupus, which sometimes leaves her bedridden or walking on crutches, and by hearing her famously strong Georgian accent in the colloquialisms she sprinkles throughout the letters. . . . This is an important addition to the knowledge of O'Connor, her world, and her writing.❄️Publishers Weekly
