John Santrock'sEducational Psychologyis a well-crafted text that emphasizes the application of theory to classroom practice. With richly evocative classroom vignettes provided by practicing teachers, as well as the most case studies - three per chapter - of any Introductory text, Santrock'sEducational Psychologyhelps students think critically about the research basis for best practices. Additionally, Santrock's hallmarkLearning Systemorganizes the content into manageable chunks to support retention and mastery, and makes it much more likely that students will have an engaging and successful course experience.

Santrock’s Educational Psychology emphasizes the application of theory to real classroom practice. With richly evocative classroom vignettes from practicing teachers and a wealth of case studies, Educational Psychology helps students think critically about the research basis for best practices. Santrock’s hallmark Learning System organizes the content into manageable chunks under learning goals, supporting retention and mastery, so that students will have an engaging and successful course experience. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments. Digital •Connect®—The Connect Suite effectively engages students in the course so they are better prepared for class, more active in discussion, and achieve better results. Its innovative and adaptive technology addresses a wide variety of student and instructor needs with a rich database of assignable and assessable activities, each attached to learning objectives. Connect, part of the Connect suite, is a web-based assignment and assessment platform that features a number of powerful tools that make managing assignments easier for instructors and learning and studying more engaging and efficient for students. • Connect InsightTM—As part of the Connect Suite, InsightTM puts real-time analytics in your hands so you can take action early and keep struggling students from falling behind. Designed for your tablet or desktop computer, Insight is a series of visual displays providing at-a-glance information regarding how your section, students, and assignments are doing. • SmartBook—As part of the Connect Suite, SmartBook is the first and only adaptive reading and learning experience that changes the way students read. It creates a personalized, interactive reading environment like no other by highlighting important concepts, while helping students identify their strengths and weaknesses. This ensures that he or she is focused on the content needed to close specific knowledge gaps, while it simultaneously promotes long term learning. • LearnSmart—As part of the Connect Suite, LearnSmart is an adaptive learning program designed to help students learn faster, study smarter, and retain more knowledge for greater success. Millions of students have answered billions of questions in LearnSmart, making it the most widely used tool that’s proven to strengthen memory recall, retain student attendance, and boost grades.

The final marks are in:Educational Psychology, Second Canadian Editionstands at the head of the class. Taking their cue from the success of the first Canadian edition of Educational Psychology, the Santrock et al. author team has focused their revision efforts on the text's areas of strength: relevant and fully integrated Canadian content, focus on application, currency, and balanced coverage. Visually appealing and built on the proven Santrock pedagogical system, Educational Psychology effectively shepherds readers through all topics while maximizing knowledge retention and application. In addition, supporting this text is an unparalleled supplements package for both instructors and students. From print and video case studies to video lectures, advice from experts, first-person stories from in-service teachers, application exercises for theory and teaching approaches, tips on in-class strategies, and extensive practice-quiz materials, the OLC, iStudy space (proposed), and stand-alone resources offered for use with Educational Psychology, Second Canadian Edition earn this revision an A+ grade.

John Santrock’s Children combines proven pedagogy and the most current research to provide a market leading presentation of child development. This time tested text provides compelling contemporary research, including updates from eight leading experts in the field. The text's accessible presentation, plentiful applications and engaging writing foster increased mastery of the content. The new edition includes substantially expanded material on subjects including children's health and well-being, parenting and education, diversity, culture, and gender.

As a master teacher, John Santrock connects current research with real-world application, helping students see how developmental psychology plays a role in their own lives and future careers. Through an integrated learning goals system, this comprehensive and chronological approach to lifespan development helps students gain the insight they need to study smarter, stay focused, and improve performance.

More students learn from John Santrock's Adolescence than from any other text in this field. Students and instructors rely on the careful balance of accurate, current research and applications to the real lives of adolescents. The fully-revised eleventh edition includes a new chapter on health, expanded coverage of late adolescence, and more than 1200 research citations from the 21st century.
