"Eiger Dreams" is a compelling collection of twelve stories by mountaineering writer Jon Krakauer. Included are several first person accounts of his own adventures, including his life-defining attempt to climb the Devil's Thumb in Alaska as a young man and his later failed attempt to scale the Eiger face.

*Eiger Dreams: Ventures Among Men and... book by Jon Krakauer*

Eiger Dreams is a collection of stories about mountaineering and mountaineering culture. This collection of a dozen or so chapters (I suspect all were magazine articles first) regales the reader with the danger of high-altitude climbing, the uniqueness of attitude among many of the climbers and a slice of the culture that surrounds the climbing world.

Eiger Dreams: Ventures Among Men and Mountains (Unabridged) ... Eiger Dreams spins tales of driven lives, sudden deaths, and incredible victories. This is a stirring, vivid book about one of the most compelling and dangerous of all human pursuits. GENRE. Reisen und Abenteuer.

No one writes about mountaineering and its attendant hardships and

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

victories more brilliantly than critically acclaimed author Jon Krakauer. In this collection of his finest work from such magazines as Outside and Smithsonian, he explores the subject from the unique and memorable perspective of one who has battled peaks like K2, Denali, Everest, and, of course, the Eiger. Always with a keen eye, an open heart, and a hunger for the ultimate experience, he gives us unerring portraits of the mountaineering experience. Yet Eiger Dreams is more about people than about rock and ice--people with that odd, sometimes maniacal obsession with mountain summits that sets them apart from other men and women. Here we meet Adrian the Romanian, determined to be the first of his countrymen to solo Denali; John Gill, climber not of great mountains but of house-sized boulders so difficult to surmount that even demanding alpine climbs seem easy; and many more compelling and colorful characters. In the most intimate piece, "The Devils Thumb," Krakauer recounts his own near-fatal, ultimately triumphant struggle with solo-madness as he scales Alaska's Devils Thumb. Eiger Dreams is stirring, vivid writing about one of the most compelling and dangerous of all human pursuits.

Explores the adventure and risks that compel climbers to face the challenges of such peaks as Denali, K2, Everest, and the Eiger.

his finest essays and reporting, Krakauer writes of mountains from the memorable perspective of one who has himself struggled with solo madness to scale Alaska's notorious Devils Thumb. In Pakistan, the fearsome K2 kills thirteen of the world's most experienced mountain climbers in one horrific summer. In Valdez, Alaska, two men scale a frozen waterfall over a four-hundred-foot drop. In France, a hip international crowd of rock climbers, bungee jumpers, and paragliders figure out new ways to risk their lives on the towering peaks of Mont Blanc. Why do they do it? How do they do it? In this extraordinary book, Krakauer presents an unusual fraternity of daredevils, athletes, and misfits stretching the limits of the possible. From the paranoid confines of a snowbound tent, to the thunderous, suffocating terror of a white-out on Mount McKinley, Eiger Dreams spins tales of driven lives, sudden deaths, and incredible victories. This is a stirring, vivid book about one of the most compelling and dangerous of all human pursuits.

Quicklets: Your Reading Sidekick! ABOUT THE BOOK Eiger Dreams by Jon Krakauer is an anthology of articles published by various magazines during the mid-to-late 1980s. This collection consists of his earliest works, predating the books that launched him to the top of the bestseller list: Into The Wild (1996), and Into Thin Air (1997)

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

Krakauer does an admirable job of addressing the central issues so even the casual hiker can appreciate his passion, as climbing is a sport that can be hard to appreciate without spending a good deal of time hanging around climbers. Krakauer skillfully avoids getting too wrapped up in technical terms and esoteric knowledge; his narrative voice is well-developed. He has an elegant writing style that carries the reader like a raft floating along a deep river. A skilled wordsmith, he likes long and sometimes complex sentences yet he puts them together so skillfully you rarely lose the point. What makes the stories so accessible to climbers and non-climbers alike is Krakauer's ability to place the human element at the front and center of each tale.

MEET THE AUTHOR Anita Tsuchiya is el presidente y peon of Sabaku, Inc., a marketing services company that provides writing, editing, research, analysis and consulting for a diverse assortment of clientele. The loves of her life are split into two seasons: during the fall/winter she pursues a degree in Japanese language, and spends spring/summer joyfully immersed in the sights, sounds and smells of minor league baseball. A retired speed-freak and super-jock, her current life is moderately active. She grew up in the Bay Area of California, and her almae matres include San Leandro High and U.C. Davis. In fact, she remembers what San Jose looked like before Silicon Valley. Now happily settled in Salt Lake City, Utah, she shares her

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

home with a pair of mixed-mutt bundles of canine goodness named Molly and Linus. EXCERPT FROM THE BOOK Krakauers strength as a writer lies in his ability to personalize the many characters who populate the sport of climbing. He gives us folks we can relate to on a human scale even if we dont quite understand their odd fixation with danger. Thanks to his skillful portraiture, it doesnt take long to start wondering: whatever happened to those outrageous Burgess twins? Has Richard Fisher come out of hiding from the gullies of Arizona? Did Adrian the Romanian finally make it to the top of Mt. McKinley, and more importantly, did he make it back down in one piece? The Burgess boys managed to survive their youthful indulgences. They even wrote a book about their adventures, climbing and otherwise. And theyve lost none of their cheekiness, as they point out in the acknowledgement, We especially thank those who held regular jobs so that civilization, as we know it, didnt fall apart while we went climbing. Buy a copy to keep reading! CHAPTER OUTLINE Quicklet On Jon Krakauer's Eiger Dreams: Ventures Among Men and Mountains + About the Book + About Jon Krakauer Article Summaries + Eiger Dreams + Gill + Valdez Ice + On Being Tentbound + ...and much more

"The gripping articles collected in Classic Krakauer--originally published in magazines such as The New Yorker, Outside, and

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

Smithsonian--show why he is considered a standard-bearer of modern journalism. Spanning an extraordinary range of subjects and locations, these pieces take us from a horrifying avalanche on Mount Everest to a volcano poised to obliterate a big chunk of Seattle; from a wilderness teen-therapy program run by apparent sadists to an otherworldly cave in New Mexico, studied by NASA to better understand Mars; from the notebook of one Fred Beckey, who catalogued the greatest unclimbed mountaineering routes on the planet, to the last days of legendary surfer Mark Foo. Rigorously researched and vividly written, marked by an unerring instinct for storytelling and scoop, these pieces are unified by the author's ambivalent love affair with unruly landscapes and his relentless search for truth"--

NATIONAL BESTSELLER • A "riveting ... gripping book about this extraordinary man who lived passionately and died unnecessarily" (USA Today) in post-9/11 Afghanistan, from the bestselling author of *Into the Wild*, *Into Thin Air*, and *Under the Banner of Heaven*. Pat Tillman walked away from a multimillion-dollar NFL contract to join the Army and became an icon of patriotism. When he was killed in Afghanistan two years later, a legend was born. But the real Pat Tillman was much more remarkable, and considerably more complicated than the public knew... This edition has been updated to reflect new developments and

"Terrifying... Eloquent... A heart-rending drama of human yearning."  
--New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the dries and

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

William O. Douglas was one of that rare mix of man that helped define America, a judge of the supreme court and also a lifelong outdoorsman. This is his story in his words and conveys the joy he felt for the wild untouched vastness of the great forests and the high snow capped peaks which he pitted himself against. Many of the earliest books,

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

National Bestseller "A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism." —PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more—including Krakauer's—in guilt-ridden disarray, would also provide the impetus for *Into Thin Air*, Krakauer's epic account of the May 1996 disaster. By writing *Into Thin Air*, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of *Into Thin Air* includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day," writes Krakauer in the postscript, dated August 1999. "What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since *Into Thin Air*'s denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored *The Climb*, Boukreev's version of events. And in a touching conclusion,

## Download Ebook Eiger Dreams Ventures Among Men And Mountains

Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters--a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind."
