These phonics-based stories are perfect for embedding and building on children's phonics knowledge. This pack contains 684 Decode and Develop books, 6 copies of each book at Levels 1 to 9. It also includes 6 copies of Biff, Chip and Kipper Companion 1 and Companion 2.

# Access Free Eleven Plus Vocabulary Flash Cards

11+ Vocabulary Cartoons To improve your memory you must increase the number and variety of your mental associations. When you learn new words, make sure you learn them in a context. It is far easier to remember a picture than an abstract concept. So the trick to remember an abstract word, is to turn it into a picture. And..... It is much easier to picture a sentence rather than picture a word in isolation. When you create the picture, make sure it meets one or more of the following criteria so that it 'sticks'.

OUT OF PROPORTION - In all your images, try to distort size and shape. You can imagine things much larger than their normal size or conversely,

# Access Free Eleven Plus Vocabulary Flash Cards

microscopically small.

**SUBSTITUTION** - You could visualise footballers kicking a television around a football pitch instead of a football, or pens growing on a tree instead of leaves. Substituting an out of place item in an image increases the probability of recall.

**EXAGGERATION** - Try to picture a very large quantity in your images. **MOVEMENT** - Any movement or action is always easy to remember. **HUMOUR** - The funnier, more absurd and zany you can make your images, the more memorable they will be. Applying multiple combination of these five principles when forming your images will help make your mental associations truly outstanding and memorable.

## Access Free Eleven Plus Vocabulary Flash Cards

At first, you may find that you need to consciously apply one or more of the five principles in order to make your pictures sufficiently ludicrous. After a little practice however, you should find that applying the principles becomes an automatic and natural process. Some UNIQUE features of this book;

- All the hard work done for you. Over 200 words converted into pictures utilizing the concepts above!
- Focus on words likely to appear in the 11 plus Exam
- Synonyms/Antonyms and sentences for EACH word - Over 1500 high frequency 11+ words in total!

This book contains 100 short exercises, exposing the student

## Access Free Eleven Plus Vocabulary Flash Cards

to over 2000 words. Most pages have no more than ten questions. As many of the exercises in this book, include putting words into groups of synonyms, it helps to build sets of words rather than having to learn all of the words individually.

New for the 2020 exams this brilliant book of 10-Minute Tests is perfect for helping pupils prepare for the Comprehension questions in the Common Entrance and 11+ tests. 11+ Vocabulary contains: Fifty 10-minute tests Over 2000 words Questions specifically focused on developing the essential comprehension skills. The classic, single-volume introductory Latin textbook, introduced in 1956 and still the bestselling and most highly regarded textbook of its kind. Wheelock's Latin, sixth edition, revised, has all the features that have made it the best-selling single-volume beginning Latin textbook, many of them revised and expanded: o 40 chapters with grammatical explanations and readings based on ancient Roman authors o Self-tutorial exercises

## Access Free Eleven Plus Vocabulary Flash Cards

with an answer key for independent study o An extensive English–Latin/ Latin–English vocabulary section o A rich selection of original Latin readings -- unlike other textbooks which contain primarily made-up Latin texts o Etymological aids Also includes maps of the Mediterranean, Italy and the Aegean area, as well as numerous photographs illustrating aspects of classical culture, mythology, and historical and literary figures presented in the chapter readings. o The leading self-tutorial Latin program. Also great for college and accelerated high school courses. o Wheelock's Latin is the top-selling Latin reference in the US. o Interest and enrolments in Latin have

## Access Free Eleven Plus Vocabulary Flash Cards

been steadily rising in the U.S. for the past 20 years. One-half million people are currently enrolled in Latin classes, and at least 10,000 teachers, professors and graduate assistants are teaching the language in America.
