From the moment he appeared on stage dressed in pink as a drum major, it seemed inevitable that there would be at least two layers of tear-away clothing and that he and his equally buff male dancers .

You know how, since the dawn of humanity, great philosophers and poets have dedicated their entire lives to exploring concepts like love, life itself, logic, and sorrow? Well, those great philosophers and poets are dead now, so I win. -- Shen "You know how, since the dawn of humanity, great philosophers and poets have dedicated their entire lives to exploring concepts like love, life itself, logic, and sorrow? Why do things in moderation when you can just do everything? Cartoonist Dami Lee's hilarious four-panel comic collection illustrates her experience navigating identity, relationships, pop culture, and misunderstandings about basic human interactions, from growing up as a South Korean immigrant kid in the foreign land of Texas to finding her home as a professional cartoonist in cyberspace. With favorite selections from Dami's massively popular webcomic As Per Usual, as well as many never-before-seen comics, Be Everything at Once is earnestly relatable and endlessly funny, full of (mostly) true stories for anyone who obsesses over their favorite snacks, struggles to take the best selfie, tears up at the sight of a perfect dog, or is maybe just trying to find their place.

Adam ' s comics deal with weightier topics like seasonal affective disorder and struggles with self-esteem, while also touching on the silly and absurd—like his brief, but intense obsession with crystals. With a bright, positive outlook and a sense of humor, Super Chill tells a story that is both highly relatable and intensely personal.

Always positive, Buni doesn ' t understand that the cute world he lives in is usually out to get him. The girl he loves loves someone else. And his best intentions never seem to work. Yet he wakes up each day hopeful. Together with his cynical dad and determined dog, he inhabits a surreal world populated by teddy bears, cupcakes, unicorns, and zombies. With few words, these comics rely on images to tell the story, which is often twisted, sad and funny all at the same time. But more than anything, they show that nothing will keep Buni down. Because true happiness is a state of mind.

Ranging from the relatable to the utterly nonsensical and bizarre, The Book of Onions focuses on themes of loneliness, desperation, and failure. And misplaced optimism. And perverted talking fruit. Sort of like Gary Larson ' s “ The Far Side, ” if Gary were way less accomplished and suffered from depression.

Based on the popular webcomic The Pigeon Gazette! Follow artist Jane Zei through the everyday rollercoaster of a quarter-life crisis—when high-flying optimism meets cold, hard adulthood during the journey from college to a full-time career. With favorites from viral webcomic The Pigeon Gazette, along with never-before seen comics, Success is 90% Spite is a reminder that there's nothing you can't achieve through hard work, persistence—and really wanting to prove someone else wrong. • A hilarious and high-energy collection that captures the all-too-real difficulties of life as a 20-something in a modern world • Comics follow Jane's endearingly awkward and whimsical efforts to navigate adulthood. • Covers a range of topics in both short, four-panel, and longer-form comics When life gives you lemons . . . throw those suckers back into life's stupid face and make your own success. From choosing Lord of the Rings over love, to mastering pooping etiquette in the workplace, Jane's existential adventures are told with an extra dose of narrative imagination,

extended jokes on inane topics, and daydreams. • The Pigeon Gazette has been featured in articles by Huffington Post, Bored Panda, and BuzzFeed • Great book for fans of funny webcomics, internet humor, and any millennial trying to make their way in the world • Add it to the collection of books like Adulthood Is a Myth: A Sarah's Scribbles Collection by Sarah Andersen, Am I There Yet?: The Loop-de-loop, Zigzagging Journey to Adulthood by Mari Andrew, and It's All Absolutely Fine: Life Is Complicated So I've Drawn It Instead by Ruby Elliot

The most beloved mother-daughter duo is back with a brand-new comic take on the difficult, wonderful, one-of-a-kind relationship between neurotic daughter Cathy and her caring, comforting, slightly interfering mother. Insightful observations, amusing advice, and comical proclamations are paired with Cathy Guisewite 's distinctive illustrative style. This is an original gift book that will show your mother or daughter truly is. Cathy 's comics continue to be a cartoon icon and a familiar, yet fresh voice for females of all ages. A perfect Mother's Day gift or a great present to celebrate how glorious, complex, intense, entwined, and amazingly beautiful bonds between mothers and daughters can be.

Created by UK-based artist Chris McCoy, Safely Endangered's brilliantly hilarious comics have an unexpected, twisted punch line with an adorable illustration. From relying far too heavily on Facebook to the struggles of sibling rivalry, Safely Endangered covers a vast range of ridiculously funny situations with humans, animals and even video game characters.

A subversive, hilarious, dark-but-uplifting collection of comics skewering the commercial figures, Disney stories, and pop cultural touchstones that Millennials and Gen X-ers grew up with in the '80s and '90s. Ben Zaehring's versatile art styles and wicked curveballs are sharp, clever and accessible, prompting many readers to comment that the author is "ruining their childhood" in the most delightful way possible.
