Intelligence. In his 25 years as an emotion scientist, he has developed a remarkably effective plan to improve the lives of children and adults – a blueprint for understanding our emotions and using them wisely so that they help, rather than hinder, our success and well-being. The core of his approach is a legacy from his childhood, from an astute uncle who gave him permission to feel. He was the first adult who managed to see Marc, listen to him, and recognize the suffering, bullying, and abuse he'd endured. And that was the beginning of Marc's awareness that what he was going through was temporary. He wasn't alone, he wasn't stuck on a timeline, and he wasn't "wrong" to feel scared, isolated, and angry. Now, best of all, he could do something about it. In the decades since, Marc has led large research teams and raised

Become a Better Leader by Improving Your Emotional Intelligence Bestselling author DANIEL GOLEMAN first brought the concept of emotional intelligence (EI) to the forefront of business through his articles in Harvard Business Review, establishing EI as an indispensable trait for leaders. The Emotionally Intelligent Leader brings together three of Goleman's bestselling HBR articles. In "What Makes a Leader?" Goleman explores research that found that truly effective leaders are distinguished by high levels of self-awareness and sharp social skills. In "The Focused Leader," Goleman explains neuroscience research that proves that

"being focused" is more than filtering out distractions while concentrating on one thing. In "Leadership That Gets Results," Goleman draws on research to outline six distinct leadership styles, each one springing from different components of emotional intelligence. Together, these three articles guide leaders to recognize the direct ties between EI and measurable business results.
