From #1 New York Times bestselling author Patricia Briggs comes the first “thrilling” * novel in the Hurog duology. Most everyone thinks Ward of Hurog is a simple-minded fool—and that’s just fine by him. But few people know that his foolishness is (very convincingly) feigned. And that it’s the only thing that’s saved him from death. When his abusive father dies, Ward becomes the new lord of Hurog...until a nobleman declares that he is too dim-witted to rule. Ward knows he cannot play the fool any longer. To regain his kingdom, he must prove himself worthy—and quickly. Riding into a

war that 's heating up on the border, Ward is sure he 's on the fast track to glory. But soon his mission takes a deadly serious turn. For he has seen a pile of magical dragon bones hidden deep beneath Hurog Keep. The bones can be dangerous in the wrong hands, and Ward is certain his enemies will stop at nothing to possess them...

From the author of *The Monsters Know What They 're Doing* comes an introduction to combat tactics for Dungeons & Dragons players. In his first book, *The Monsters Know What They 're Doing* (based on his popular blog), Keith Ammann unleashed upon the D&D world a wave of clever, highly evolved monster tactics. Now it 's only fair that he gives players the tools they need to fight back...and prevail! An introduction to combat tactics for fifth-edition Dungeons & Dragons players, *Live to Tell the Tale* evens the score. It examines the

fundamentals of D&D battles: combat roles, party composition, attacking combos, advantage and disadvantage, Stealth and Perception, and more...including the ever-important consideration of how to run away! Don't worry about creating a mathematically perfect character from square one. Survival isn't about stats—it's about behavior! With four turn-by-turn, roll-by-roll, blow-by-blow sample battles, *Live to Tell the Tale* breaks down how to make the best choices for your cherished characters so that they can survive their adventures, retire upon their accumulated riches, and tell stories about the old days that nobody will ever believe.

Ward joins a rebellion against King Jakoven, a cruel ruler who possesses a magical stone, *Farsonbane*, that is triggered by dragon's blood.

Navy SEAL, Duffy Gaver, featuring the tried and true workouts used by movie stars like Chris Pratt and Brad Pitt. Former Marine sniper and ex-navy Seal, Duffy Gaver is the unsung hero of Hollywood. As a master trainer to the stars, he has transformed the bodies of actors such as Chris Hemsworth, Chris Pratt, Scarlett Johanson, Brad Pitt and many others. He is a Hero-Maker. He gets the most out of his clients by making them rethink their lives. For Duffy, the fitness industry sells a myth: it's all about the latest and greatest fads. Back in 1965, Larry Scott won the first Mr. Olympia. There was no Nike. No thermogenic products. No supplement industry. How did he do it then? With his will, his discipline, his desire. The things that big businesses can't manufacture. The first four minute mile, the first iron man triathlon, and the first world's strongest man all took place before 99% of today's companies even existed. What does this prove? None of this stuff is

necessary. Inside Hero Maker, Duffy Gaver shares the knowledge and motivational sit-downs that get his stars to take hold of their own bodies. None of these stars bought their way to their impressive physiques; they earned it with old fashioned work and dedication. He will tell you what you need to do to look super heroic, and he will show you how you too can do this if you put yourself to the task. Inside, you will also find some of his game-changing workouts to help get you there.
