WE were in mourning for our mother, who had died the preceding autumn, and we had spent all the winter alone in the country-Macha, Sonia and I. Macha was an old family friend, who had been our governess and had brought us all up, and my memories of her, like my love for her, went as far back as my memories of myself. Sonia was my younger sister. The winter had dragged by, sad and sombre, in our old country-house of Pokrovski. The weather had been cold, and so windy that the snow was often piled high above our windows; the panes were almost always cloudy with a coating of ice; and throughout the whole season we were shut in, rarely finding it possible to go out of the house. It was very seldom that any one came to see us, and our few visitors brought neither joy nor cheerfulness to our house. They all had mournful faces, spoke low, as if they were afraid of waking some one, were careful not to laugh, sighed and often shed tears when they looked at me, and above all at the sight of my poor Sonia in her little black frock.

Although best known for *War and Peace* and *Anna Karenina*, Leo Tolstoy did not confine his literary talents to voluminous works. He was also a master of the short story and the long story--the particularly Russian form known as *povest'*. Each of the tales in this collection exhibits the rich detail, vivid narration, and startling truths that characterize Tolstoy's famous novels. Two unusual, intriguing short stories — "Three Deaths" and "The Three Hermits" — appear here, along with four powerful long stories: "Family Happiness," "The Devil," "Father Sergius," and "Master and Man." "Family Happiness," the first story in this compilation, features a Tolstoyan theme that recurs both here and elsewhere in the author's writings: "The only certain happiness in life is to live for others." Written over a period of 40 years or more, these works display the author's evolving perspectives on love, marriage, art, politics, and patriotism. They offer an eclectic introduction to the great Russian writer's fiction as well as a feast for those&#x...

"Family Happiness" is a relationship novel which tells the story of the seventeen-year-old Mashechka and the thirty-six-year-old Sergey. Their passionate love leads to marriage but only after it, do they find out what the other one really desires in life. Sergey seeks the seclusion in the country while his wife is dreaming of excitement and movement in the pretentious upper class society. Is the intense love between them going to stand the test of time or it is going to turn into alienation and courteous friendship? The author of "Family Happiness" Leo Tolstoy paints a realistic psychological portrait of the emotional evolution in a relationship between two people with different visions of life. The novel is first published in 1859 and is also adapted to stage in Moscow. Leo Tolstoy (1828-1910) was a Russian author, a master of realistic fiction and one of the world's greatest novelists. Tolstoy's major works include "War and Peace" (1865-69) and "Anna Karenina" (1875-77), two of the greatest novels of all time and pinnacles of realist fiction. Beyond novels, he wrote many short stories and later in life also essays and plays.

An alternate translation of Tolstoy's classic novella, *Family Happiness*, this tale revisits a theme that resonates throughout Tolstoy's work and is perhaps best elucidated in *Anna Karenina*: "All happy families are alike; each unhappy family is unhappy in its own way." A young woman who is still reeling from the death of her mother agrees to be wed to a much older family friend, but soon finds out that married life is not all it's cracked up to be.

The brilliant shorter novels of Tolstoy, including *The Death of Ivan Ilych* and *Family Happiness*, collected and reissued with a beautiful updated design. Of all Russian writers Leo Tolstoy is probably the best known to the Western world, largely because of *War and Peace*, his epic in prose, and *Anna Karenina*, one of the most splendid novels in any language. But during his long lifetime Tolstoy also wrote enough shorter works to fill many volumes. Here reprinted in one volume are his eight finest short novels, together with "Alyosha the Pot", the little tale that Prince Mirsky described as "a masterpiece of rare perfection."

"Terrifying... Eloquent... A heart-rending drama of human yearning." --New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Three fictional works combine autobiographical elements with the themes of marriage, sex, and the conflict between traditional values and progress

This is the first-ever English-language edition of the book Leo Tolstoy considered to be his most important contribution to humanity, the work of his life's last years. Widely read in prerevolutionary Russia, banned and forgotten under Communism; and recently rediscovered to great excitement, *A Calendar of Wisdom* is a day-by-day guide that illuminates the path of a life worth living with a brightness undimmed by time. Unjustly censored for nearly a century, it deserves to be placed with the few books in our history that will never cease teaching us the essence of what is important in this world.
