Glenn Hinson focuses on a single gospel program and offers a major contribution to our understanding not just of gospel but of the nature of religious experience. A key feature of African American performance is the layering of performative voices and the constant shifting of performative focus. To capture this layering, Hinson demonstrates how all the parts of the gospel program work together to shape a single whole, joining speech and song, performer and audience, testimony, prayer, preaching, and singing into a seamless and multifaceted service of worship. Personal stories ground the discussion at every turn, while experiential testimony fuels the unfolding arguments. Fire in My Bones is an original exploration of experience and belief in a community of African American Christians, but it is also an exploration of African American aesthetics, the study of belief, and the ethnographic enterprise.

A New York Times Notable Book | Lambda Literary Award Winner | Long-listed for the PEN Open Book Award “Charles Blow is the James Baldwin of our age.” — Washington Blade “[An] exquisite memoir . . . Delicately wrought and arresting.” — New York Times Universally praised on its publication, Fire Shut Up in My Bones is a pioneering journalist’s indelible coming-of-age tale. Charles M. Blow’s mother was a fiercely driven woman with five sons, brass knuckles in her glove box, and a job plucking poultry at a factory near their segregated Louisiana town, where slavery’s legacy felt close. When her philandering husband finally pushed her over the edge, she fired a pistol at his fleeing back, missing every shot, thanks to “love that blurred her vision and bent the barrel.” Charles was the baby of the family, fiercely attached to his “do-right” mother. Until one day that divided his life into Before and After—the day an older cousin took advantage of the young boy. The story of how Charles escaped that world to become one of America’s most innovative and respected public figures is a stirring, redemptive journey that works its way into the deepest chambers of the heart. “Stunning . . . Blow’s words grab hold of you . . . [and] lead you to a place of healing.” — Essence “The memoir of the year.” — A. V. Club

“But if I say, ‘I will not mention him or speak anymore in his name,’ his word is in my heart like a fire shut up in my bones. I am weary of holding it in. Indeed, I cannot.” - J. 20:9 Heinrich Ewald called Jeremiah, “the most human prophet.” To Douglas Humphries, he’s always been Jerry, “the prophet who talked back.” Unexpectedly, blessedly standing in opposition to everything he thought it took to be one of the faithful, Jeremiah’s story is one of rejection and destruction, tragic and yet profoundly hopeful. A true picture of what it costs to do the hard, right thing. What it means to follow God. What it means to even know God. And it found Douglas exactly when he needed it to. Part biblical analysis, part memoir, part confessional. As much a reaction to scripture as it is an investigation of it. This book brings new insight into an old, but all too familiar story. A new way to consider an old, but dear prophet.

Essays discuss racism in America, the Civil Rights movement, and the author’s career as an educator and minister

This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of The Message. “In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene’s quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop.”—John Mark Comer, author of The Ruthless Elimination of Hurry “This hunger for something radical—something so true that it burned in his bones—was a constant in Eugene’s life. His longing for God ignited a ferocity in his soul.” Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene’s lifelong devotion to his craft and love of language, the influences and experiences that shaped his unquenchable faith, the inspiration for his decision to translate The Message, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson’s life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake, a kiss from Jan, a good joke, a bowl of butter pecan ice cream. As you enter into his story, you’ll find yourself doing the same—noticing how the most ordinary things shimmer with a new and unexpected beauty.

Missionary life is not for the squeamish!Jeff will take you through a journey of a lifetime from getting saved to a fire burning in his bones, to ministering as an evangelist in the second-most dangerous country in the world, Guatemala in Latin America.Follow this British evangelist, Jeff Mills, and his lovely German wife Christa on their journey which took them high in mountains of Guatemala. Here they worked among the Mayan Indigenous where 24 dialects are spoken, and then among the drug addicts where they planted three very lively churches. On two occasions Jeff met with angels. But his road was later to become a rocky one. With a civil war going on, Jeff planted three churches, but then tragedy struck!Due to an accident, Jeff ended up having 15 major operations on his spine and neck. This did not stop him making disciples, evangelizing and planting yet another church. God never said that the path of a missionary was an easy one, but quite the opposite! His visit to Northern India, to an area where they had never seen a white man before, resulted in 4,000 people coming to the Lord in one day! There are moments where you will burst out laughing, and then again, serious moments which will make you think. Jeff’s hope is this will encourage people to become missionaries because life on the mission field is certainly not dull.
