Fledermaus Libretto Online English

Fledermaus is a German opera, and a libretto is an English translation of the vocal parts so you can follow along when listening to a CD or record. This is just English lyrics - no reference at all to the German text, and hence is totally useless for anything I can think of. Amazon needs to fix the product description.

enough money, not enough food, not enough fish for Daddy to sell at the market. With the aid of a wise forest friend, Calpurnia discovers a secret river that provides an abundance of fish, which her community desperately needs. But when she returns the next day for more, she learns there is an important distinction between need and greed. Set during a time of want, *The Secret River* overflows with riches: marvelous language, mystical happenings, and wondrous, awe-inspiring artwork from legendary team Leo and Diane Dillon that brims with symbolism. Both timely and timeless, this lavish picture book is a classic in the making.

DIV With National Socialism's arrival in Germany in 1933, Jews dominated music more than virtually any other sector, making it the most important cultural front in the Nazi fight for German identity. This groundbreaking book looks at the Jewish composers and musicians banned by the Third Reich and the consequences for music throughout the rest of the twentieth century. Because Jewish musicians and composers were, by 1933, the principal conveyors of Germany's historic traditions and the ideals of German culture, the isolation, exile and persecution of Jewish musicians by the Nazis became an act of musical self-mutilation. Michael Haas looks at the actual contribution of Jewish composers in Germany and Austria before 1933, at their increasingly precarious position in Nazi Europe, their forced emigration before and during the war, their ambivalent relationships with their countries of refuge, such as Britain and the United States and their contributions within the radically changed post-war music environment. /div

Uncovers a world of forgotten triumphs of musical theatre that shine a light on major social topics. This book is also available as Open Access on Cambridge Core.

Excerpt from Faust: A Lyric Drama in Five Acts Here a considerable interval of time occurs. Then Marguerite is again seen, having been loved, cherished, and deserted. Her little child is her only companion. Her brother turns from the war, and the same evening Faust and the fiend also return, the latter, with devilish intent, singing an insulting serenade. Valentine rushes out, fights with Faust, falls and dies, cursing his sister. Next comes the church scene, where the poor girl, trying to pray, is confused, bewildered, and finally frightened into insanity by the mocking voices of demons near her, who remind her that she is lost, and cannot pray, that there is no mercy left for her. In this state she kills her child. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

In the first third of the twentieth century, South America became the most important market for many European theatrical companies. When Italy found itself in various theatrical crises, Walter Mocchi created a transoceanic theatrical empire, using his business acumen to craft viable solutions. While his efforts were most visible in the sphere of opera, he played an extremely significant role in the promotion and circulation of popular forms of musical theatre (such as operetta) and staged world premieres of works by Italian superstars in Argentina (such as Mascagni's *Isabeau*), thus offering an early example of what Stephen Greenblatt calls 'cultural mobility'.
