<b>Roberto Duran, Marvelous Marvin Hagler, Sugar Ray Leonard, and Thomas "Hit Man" Hearn<span>s</span> all formed the pantheon of boxing greats during the late 1970s and early 1980s—before the pay-per-view model, when prize fights were telecast on network television and still captured the nation’s attention. Championship bouts during this era were replete with revenge and fury, often pitting one of these storied fighters against another. From training camps to locker rooms, author George Kimball was there to cover every body shot, uppercut, and TKO. Inside stories full of drama, sacrifice, fear, and pain make up this treasury of boxing tales brought to life by one of the sport’s greatest writers.</b>

<b>By the late 1970s, boxing had lapsed into a moribund state and interest in it was on the wane. In 1980, however, the sport was resuscitated by a riveting series of bouts involving an improbably dissimilar quartet: Sugar Ray Leonard, Marvelous Marvin Hagler, Thomas Hearn<span>s</span> and Roberto Duran. The 'Four Kings of the Ring' would fight one another nine times throughout the decade and win sixteen world titles between them. Like Ali and Frazier, Dempsey and Tunney, Robinson and LaMotta, these four boxers brought out the best in each other, producing unprecedented multi-million-dollar gates along the way. Each of the nine bouts between the four men was memorable in its own way and at least two of them - Leonard-Hearn<span>s</span> I in 1981 and Hagler-Hearn<span>s</span> in 1985 - are commonly included on any list of the greatest fights of all time. The controversial outcome of another - the 1987 Leonard-Hagler fight - remains the subject of heated debates amongst fans to this day. Leonard, Hagler, Hearn<span>s</span> and Duran didn't set out to save boxing from itself in the post-Ali era, but somehow they managed to do so. In Four Kings, award-winning journalist George Kimball documents the remarkable effect they had on the sport and argues that we will never see their likes again.</b>

<b>ROBERTO DURAN is a sporting legend. Often called the greatest boxer of all time, he held world titles at four different weights and is the only professional in history to have fought in five different decades. His bouts with fellow greats like Sugar Ray Leonard, Thomas Hearn<span>s</span> and Marvin Hagler have gone down in fistic folklore and his pro record of 104 wins, 69 by KO, in 120 fights puts him in an elite group of fighters. They called him Manos de Piedra: “ Hands of Stone ” . American journalist Christian Guidice has written the first — and definitive — story of Duran ’ s extraordinary life both in and out of the ring. He has interviewed the fighter himself, his family and closest friends and scores of his opponents to separate truth from myth and get to the heart of one of the most intriguing sports stars of modern times. Duran was born in utter poverty in the Panama Canal Zone, the illegitimate son of a serving US soldier and a local girl. He grew up in the streets, fighting to survive. His talent with his fists was soon apparent, and on one fabled occasion he even knocked down a horse with a single punch for a bet. He grew into a fighter ’ s fighter, and his willingness to take on anyone, anywhere, anytime and never take a step back made him a huge favorite. From his wild early bouts to his stunning boxing debut in New York, Guidice traces the blazing trail of his career: the controversial title win over Scot Ken Buchanan; his unification of the lightweight crown against great rival Esteban DeJesus; his glorious defeat of Ray Leonard and the subsequent debacle of the No M á s ” —No more. Dur á n ’ s explosive performances in the ring were matched only by the volatility of his life outside it. He lurched from living like royalty to bankruptcy and, after being written off as a boxing also-ran, made a bloody, legendary comeback that gave his career the ultimate ending, and finally brought redemption. He came from nothing, and changed the world. I Am Dur á n is the autobiography of one of boxing ’ s most iconic legends.</b>

<b>They called him “ Manos de Piedra ” —Hands of Stone—and he was one of the greatest boxers of all time. Now Roberto Dur á n tells his unbelievable story: from the streets of Panama to being crowned one of the “ Four Kings, ” along with Hearn<span>s</span>, Leonard, and Hagler, as he blazed a trail through the Golden Age of Boxing. Born into abject poverty, barely able to read or write, Dur á n quickly realized that his fists could both protect him on the streets and put food on the table. His reputation was established on the day when, for a bet, he knocked down a horse with a single punch. At the age of twenty-one, he claimed his first world title, against Ken Buchanan at Madison Square Garden. The legend of Manos de Piedra was born, but his most glorious moment was yet to come. In 1980, Dur á n delivered one of the greatest upsets in boxing history by defeating the previously unbeatable Sugar Ray Leonard. But greater fame brought greater distractions, and Dur á n ’ s endless partying took its toll before the two superstars faced each other again. Here, for the first time ever, Dur á n confronts the debacle of the rematch that entered sporting folklore, and the truth behind the moment he was heard to utter the infamous words “ No m á s ” —No more. Dur á n ’ s explosive performances in the ring were matched only by the volatility of his life outside it. He lurched from living like royalty to bankruptcy and, after being written off as a boxing also-ran, made a bloody, legendary comeback that gave his career the ultimate ending, and finally brought redemption. He came from nothing, and changed the world. I Am Dur á n is the autobiography of one of boxing ’ s most iconic legends.</b>

<b>In this unflinching and inspiring autobiography, the boxing legend faces his single greatest competitor: himself. Sugar Ray Leonard’s brutally honest and uplifting memoir reveals in intimate detail for the first time the complex man behind the boxer. The Olympic hero, multichampionship winner, and beloved athlete waged his own personal battle with depression, rage, addiction, and greed. Coming from a tumultuous, impoverished household and a dangerous neighborhood on the outskirts of Washington, D.C., in the 1970s, Sugar Ray Leonard rose swiftly and skillfully through the ranks of amateur boxing-and eventually went on to win a gold medal in the 1976 Olympics. With an extremely ill father and no endorsement deals, Leonard decided to go pro. The Big Fight takes readers behind the scenes of a notoriously corrupt sport and chronicles the evolution of a champion, as Leonard prepares for the greatest fights of his life-against Marvin Hagler, Roberto Duran, Tommy Hearn<span>s</span>, and Wilfred Benitez. At the same time Leonard fearlessly reveals his own contradictions and compulsions, his infidelity, and alcohol and cocaine abuse. With honesty, humor, and hard-won perspective, Leonard comes to terms with both triumph and struggle-and presents a gripping portrait of remarkable strength, courage, and resilience, both in and out of the ring.</b>

<b>The two bouts between Cassius Clay and Sonny Liston are widely considered the most anticipated and controversial fights in heavyweight boxing. Cassius Clay won the first bout in Miami Beach in February 1964, when Liston refused to come out for the seventh round. The second fight took place in Lewiston, Maine, fifteen months later in May 1965. Halfway through the first round, Ali countered a left from Liston with a fast right, knocking Liston down. He did not get up. Ali ’ s right was so fast many spectators never even saw it. It was quickly dubbed the Phantom Punch and rumors began to swirl that Liston had thrown the fight. Many who believed Liston—a brutal fighter who picked up boxing in prison—had also thrown the first fight the year before in Miami were now vindicated. Journalist and sports historian Rob Sneddon takes a fresh look at the infamous Muhammad Ali — Sonny Liston fight of May 25, 1965, which ended in chaos at a high school hockey rink in Lewiston, Maine. Sneddon digs deep into the fight ’ s background and comes up with fascinating new takes on boxing promotion in the 1960s; on Ali ’ s rapid rise and Liston ’ s sudden fall; on how the bout ended up in Lewiston —and, of course, on Ali ’ s phantom punch. That single lightning-quick blow triggered a complex chain reaction of events that few people understood, either then or now. Even if you ’ ve seen films of the fight and think you know what happened, this book will change your perspective on boxing ’ s greatest controversy.</b>

<b>WINNER OF THE 1996 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. In the early 1990s, Donald McRae set out to discover the truth about the intense and forbidding world of professional boxing. Travelling around the States and Britain, he was welcomed into the inner sanctums of some of the greatest fighters of the period - men such as Mike Tyson, Chris Eubank, Oscar de la Hoya, Frank Bruno, Evander Holyfield and Naseem Hamed among them. They opened up to him, revealing unforgettable personal stories from both inside and outside the ring, and explaining why it is that some are driven to compete in this most brutal of sports, risking their health and even their lives. The result is a classic account of boxing that remains as fresh and entertaining as when it was first published almost 20 years ago. McRae approaches his subjects with wit, compassion and insight, and the result was a book that was a deserved winner of the William Hill Sports Book of the Year prize.</b>

<b>On the night of April 6, 1987, Sugar Ray Leonard stole a fight. A couple of million witnesses saw him get away with it. Leonard's theft was so slick that the victim, Marvelous Marvin Hagler, didn't know until it was too late. His middleweight title was picked clean and gone, forever.... In its own way, it was a perfect Sting. Of course, Hagler did not see it that way. But if winners write history, a salesman, a con, a Sweet Scientist, and a sorcerer wrote this one. Leonard was each and all in the parking lot behind Caesars. This is the story of sorcery at Caesars, and how Sugar Ray put the Fight Game on Marvelous Marvin.</b>

<b>Named a best book of 2011 by the San Francisco Chronicle, At the Fights is a gritty and glittering anthology of the very best writing about boxing. Here are Jack London on the immortal Jack Johnson; Richard Wright on Joe Louis ’ s historic victory over Max Schmeling; A. J. Liebling ’ s brilliantly comic portrait of a manager who really identifies with his fighter; Jimmy Cannon on Archie Moore, the greatest fighter of the 1950s; James Baldwin and Gay Talese on Floyd Patterson ’ s epic fight with Sonny Liston; George Plimpton on Muhammad Ali and Malcolm X; Norman Mailer on the Rumble in the Jungle; Mark Kram on the Thrilla in Manila; Pete Hamill on legendary trainer and manager Cus D ’ Amato; Mark Krieger on Oscar De La Hoya; and David Remnick and Joyce Carol Oates on Mike Tyson. National Book Award – winning novelist Colum McCann (Let the Great World Spin) offers a foreword and, in a new preface, John Schulian pays tribute to his co-editor, George Kimball, who lost his battle with cancer in 2011.</b>

<b>There is only one winner in boxing. Fighting against your opponent and fighting against your own inner demons become one in the same. Those who survive both in and out of the ring are beloved worldwide. Those who do not spiral downward into drugs, prison, and even murder. "[My] life's been pretty tragic," remarks Johnny. "But in the</b>
