Isla's had a crush on classmate Josh since their freshman year at the School of America in Paris, but after a chance encounter over the summer in Manhattan they return to France for their senior year where they're forced to confront challenges every young couple in love must face.

Life is pretty close to perfect for budding designer Lola Nolan, especially with her hot rocker boyfriend. That is, until the Bell twins, Calliope and Cricket, return to the neighbourhood and unearth a past of hurt that Lola thought was long buried. So when talented inventor Cricket steps out from his twin sister's shadow and back into Lola's life, she must finally face up to a lifetime of feelings for the boy next door. Could the boy from Lola's past be the love of her future? "Magical...really captures the feeling of being in love" - Cassandra Clare on Anna and the French Kiss

Oh Dear Silvia by Dawn French, the celebrated English actress, bestselling author, and comedian, is the clever, touching, and compelling story of one mysterious woman trapped in a coma after a fall from a balcony. Now, lying unconscious in a hospital bed, Silvia is plagued by a stream of often funny and sometimes poignant visits from friends and family, each of whom knows a different piece of the puzzle that is Silvia Shute. And, as she lies there listening to all of her visitors, the dark and terrible secret she's been hiding for years emerges. Dawn French's Oh Dear Silvia is an emotionally resonant and riveting tale of secrets, forgiveness, remorse, guilt, and love.

Reproduction of the original: Napoleon Bonaparte by John S.C. Abbott

David French warns of the potential dangers to the country—and the world—if we don't summon the courage to reconcile our political differences. Two decades into the 21st Century, the U.S. is less united than at any time in our history since the Civil War. We are more diverse in our beliefs and culture than ever before. But red and blue states, secular and religious groups, liberal and conservative idealists, and Republican and Democratic representatives all have one thing in common: each believes their distinct cultures and liberties are being threatened by an escalating violent opposition. This polarized tribalism, espoused by the loudest, angriest fringe extremists on both the left and the right, dismisses dialogue as appeasement; if left unchecked, it could very well lead to secession. An engaging mix of cutting edge research and fair-minded analysis, Divided We Fall is an unblinkingly look at the true dimensions and dangers of this widening ideological gap, and what could happen if we don't take steps toward bridging it. French reveals chilling, plausible scenarios of how the United States could fracture into regions that will not only weaken the country but destabilize the world. But our future is not written in stone. By implementing James Madison's vision of pluralism—that all people have the right to form communities representing their personal values—we can prevent oppressive factions from seizing absolute power and instead maintain everyone's beliefs and identities across all fifty states. Reestablishing national unity will require the bravery to commit ourselves to embracing qualities of kindness, decency, and grace towards those we disagree with ideologically. French calls on all of us to demonstrate true tolerance so we can heal the American divide. If we want to remain united, we must learn to stand together again.

A guide for the young at heart of all ages by an American family that has lived in France and knows how to guide their friends through Paris. They now share their advice with you in this unique guide. Come to love Paris by understanding the stories behind its sights and neighborhoods. See Paris as it should be seen for a fun and affordable learning experience: \* 7-Day Step-by Step Tour of Paris based on its history -- the Romans, the Middle Ages, the Renaissance, the French Revolution, Napoleon I, la Belle Epoque -- the monuments, the kings, the artists -- set forth in a colloquial chronology and presented with advice on the best sights to see to enhance your knowledge.
