Friend-Zoned felt a lot like R.L. Mathewson's Neighbour From Hell Series (especially the baking part) and it holds exactly the same humour. Hilarious and unexpectedly charming - that's how I can best describe Friend Zoned by Belle Aurora.

Belle never thought she would write. It had never interested her until recently. " Friend-Zoned " began to form and in February this year Belle typed the words Chapter One. And she fell in love. With words. With writing. With a creative imagination she never knew she harbored. " Friend-Zoned " is the first in the Friend-Zoned series.

She's tired, lonely and hasn't eaten in days. Lev offers her an ultimatum... A nice warm bed, a hot meal and a job, or the cops. Mina takes her chances with Lev. After all, a person with nothing has nothing left to lose.

AVAILABLE AS AN EBOOK FOR THE FIRST TIME! On a rainy Southern night, Jade Sperry endured a young woman's worst nightmare at the hands of three local hell-raisers. Robbed of her youthful ideals and at the center of scandal and tragedy, Jade ran as far and as fast as she could. But she never forgot the sleepy "company town" where every man, woman, and child was dependent on one wealthy family. And she never forgot their spoiled son, who, with his two friends, changed her life forever. Someday, somehow, she'd return, exact a just revenge -- and free herself from fear, and the powerful family that could destroy her.

Connor Clash was everything I wasn't. He taught me how to live. I didn't mean for things to go the way they did. But Connor was beautiful, and I was lonely. Falling in love wasn't part of the plan. He betrayed me, and I was scarred. Before I got the job, I didn't know who he was. Now I saw him every night in my dreams. We were two people, worlds apart, holding each other at arms length. This was not going to end well. Connor Clash was an a**hole. And I loved him with all of my heart.

A young woman falls for her stalker and a complicated relationship begins.

Getting close to the girl is purely for her own protection...right? Lily never imagined she'd make her first real friends in captivity. To what lengths would she go to keep them?

From USA Today bestselling author Jennifer Sucevic comes a sexy new novel. Friend Zoned is the second standalone novel in the Barnett Bulldogs Series. Sam Harper, left tackle for the Barnett Bulldogs, is my best friend and has been since we were fourteen years old. Unfortunately, he sees himself as my unofficial big brother. Which is to say that the guy is a major cock block. I swear he has a sixth sense when it comes to me getting laid. It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere, and suddenly my night is going up in a big ball of sexually frustrated flames. I think the guy enjoys messing with me. Why else would he take such perverse pleasure in doing it? Exactly. I'm thinking he needs a girlfriend. Someone to preoccupy him. Maybe then he'd stop trying to get in my way all the time. Except...I'm starting to notice things about Sam that I definitely shouldn't be noticing. Like those piercing blue eyes that pin me in place. Or his short blond hair that I want to drag my fingers through. Not to mention those killer abs that I sometimes catch a fleeting glimpse of when he stretches next to me in class. The strange feelings that have sprung up in me are definitely starting to freak me out. I mean, we're friends. We've always been just friends. And I don't want that to change. I don't want to take a chance and lose Sam. Next to my grandparents, he's all I have. What I need is for our relationship to slide back to the way it's always been. We have eight solid years of friendship behind us. That's not something I'm willing to throw away on a bit of sexual attraction that will eventually fizzle out. No matter how tempted I might be. *This is a New Adult novel meant for people 18 years or older. This book contains language and sexual situations*
