psychiatric practice and research. In the past ten years, the number of antipsychotics prescribed to children with psychiatric disorders has skyrocketed. Despite this rapid growth, most medications have been inadequately studied in children for safety or efficacy and many have serious adverse health. Measures are needed to ensure that the health and safety of children are being protected, and debates have emerged over whether or not clinical trials in this population should be conducted. Offers coverage of efficacy, prevalence, and adverse impacts of the use of antipsychotics in children Explores ethics challenges of clinical research in this patient population Serves as a platform for future discussions designed to increase the safety of children taking

This first book in the Marcelli Sisters of Pleasure Road series features three beautiful sisters, a family steeped in tradition, and a secret from the past that threatens to rock their once perfect worlds. A party planner extraordinaire, Katie Marcelli loves her big, boisterous family—even when their chronic matchmaking drives her crazy! In the Marcelli household, fine wine and good food are as celebrated as true love, so

when her eighteen-year-old sister announces her engagement, Katie promises her the perfect wedding. There ' s only one hitch: the father of the groom, Zach Stryker, who is adamantly opposed to his son marrying so young. Now, despite her instant attraction to the handsome, arrogant attorney, Katie must approach with caution: Zach, who hired Katie for a major fundraiser, holds the fate of her business in his hands—and how can she trust a man who is willing to break her sister ' s heart? It will take a passionate battle of wills to determine if wedding bells will ring for a Marcelli bride, and to unlock the deepest desires—for family, love, and home—inside a strong-willed man ' s heart.

o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing open and the waiters would come outside to join him. They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you
