Bake the gingerbread for 30 to 35 minutes, until the cake just begins to pull away from the edge of the pan and a toothpick inserted into the center comes out clean, or with a few moist crumbs clinging to it. Remove the cake from the oven and let it cool right in the pan. To avoid potential gumminess, wait about 15 minutes before slicing.

Bake in preheated oven until a toothpick inserted in center comes out clean, 20 to 25 minutes. Cool in pan 10 minutes. Transfer gingerbread to a wire rack, and cool completely, about 1 hour. Perdita Lee may appear to be your average British schoolgirl; Harriet Lee may seem just a working mother trying to penetrate the school social hierarchy; but there are signs that they might not be as normal as they think they are. there's the gingerbread they make. Londoners may find themselves able to take or leave it, but it's very popular in Druhástrana, the far-away (or, according to many sources, non-existent) land of Harriet Lee's early youth. The world's truest lover of the Lee family gingerbread, however, is Harriet's charismatic childhood friend Gretel Kercheval —a figure who seems to have had a hand in everything (good or bad) that has happened to Harriet since they met. Decades later, when teenaged Perdita sets out to find her mother's long-lost friend, it prompts a new telling of Harriet's story. As the book follows the Lees through encounters with jealousy, ambition, family grudges, work, wealth, and real estate, gingerbread seems to be the one thing that reliably holds a constant value.
