When two teens, one gay and one straight, meet accidentally and discover that they share the same name, their lives become intertwined as one begins dating the other's best friend, who produces a play revealing his relationship with them both.

Dos chicos, dos vidas, un nombre. Dos autores, dos personajes, un gran libro. Will Grayson tiene dos reglas en la vida: guardar silencio y no implicarse en nada. Sin embargo, su mejor amigo, Tiny Cooper, está decidido a buscarle novia y a montar su musical autobiográfico: Tiny Dancer. Muy cerca de él hay otro Will Grayson: un chico melancólico que no tiene nada bueno a lo que agarrarse. Lo único que hace que su vida merezca la pena es su relación online con Isaac, al que nunca ha visto en persona. Una fría noche de invierno, los dos Will Grayson se cruzarán en una esquina cualquiera de Chicago. Por suerte para ambos, Tiny está decidido a empujarlos hacia la felicidad, el amor y, por supuesto, el musical más fabuloso jamás representado en un instituto. Divertidísima, conmovedora y profundamente perspicaz, la novela de John Green y David Levithan reflexiona sobre la amistad y la identidad con todo el humor y la emoción propios de dos maestros del género. Los bloggers, la prensa y otros autores opinan... «Es curioso: este es el tercer libro de John Green que leo y le adoro... y este es el tercer libro de David Levithan que leo y también le adoro, sabía que algo escrito entre los dos sería buenísimo. Bien, pues me quedo corta.» Polly en plumaespadayvarita.blogspot.com

An insane love that will keep you from falling—or push you right off the edge. All she needed was a job... The last thing twenty-four year old grad student Angie Roberts needs is to worry about her new boss's father. After all, she's never even seen him. He remains sequestered upstairs in a house that looks like it should be the main feature in an episode of Hoarders. She had no idea the house was such a dump when she took the job. But she's concerned about the safety and health of the old man living under such horrid conditions. What she got was a mystery... Despite warnings not to venture upstairs, she wanders up to the second floor. What she sees is shocking. The man she finds is a gorgeous, sexy, middle-aged man—and he's stepping out of the shower. But something is definitely not right. Why would this wealthy, handsome man live in a house in such disrepair while his nine-teen year old son resides in a lavish pent-house? Why does he hide away from society? Why does he come to her rescue and then run away? What she discovered was heartbreaking... Angie learns that forty-four year old Grayson Whitmore suffers from schiz-ophrenia. Paranoid, he retreats into his own world. What she ended up with was a treasure... Angie is determined to get through to Grayson. They form a friendship that blazes into an inconceivable love fired with raging passion. Angie must now come to Grayson's rescue because the wicked that has been perpetrated on him is unconscionable. First, though, she must gain the trust of a man whose mind does not allow for such a thing.

Draws on the author's work at the Philadelphia Anxiety and Agoraphobia Treatment Center to outline a self-guided program that combines multiple treatment methods and focuses on relapse prevention and recovery.

Deborah Bacharach's very contemporary book of poetry uses references to biblical stories in order to illuminate the relationships between men and women, their difficulties and complications. It's a bold book of loss and survival, betrayal and love, a book about work and about humanity. Abraham and Sarah are here, as well as Lot and his wife, Hagar, Potiphar, and others. Modern-day lovers are here too, along with struggles and satisfactions that are universal.

Especially for those of us who ordinarily feel ignored, a spotlight is a circle of magic, with the strength to draw us from the darkness of our everyday lives. Watch out, ex-boyfriends, and get out of the way, homophobic coaches. Tiny Cooper has something to say—and he's going to say it in song. Filled with honesty, humor, and "big, lively, belty" musical numbers, Hold Me Closer is the no-holds-barred (and many-bars-held) entirety of the beloved musical first introduced in Will Grayson, Will Grayson, the award-winning bestseller by John Green and David Levithan. Tiny Cooper is finally taking center stage... and the world will never be the same again. "Tiny will have readers falling out of their chairs laughing... It's big. It's gay. It's outrageous and hilarious." —Kirkus Reviews
