"This textbook covers all the theory and technology sections that students need to learn in order to pass level 1, 2 and 3 automotive courses from the Institute of Motor Industry, City & Guilds and other exam boards. It has been produced in partnership with ATT Training and is a companion to their online learning resources. Learning is made more enjoyable and effective as the topics in the book are supported with online activities, video footage, assessments and further reading. If you are using ATT Training materials then this is the ideal textbook for your course"--

The super-manual for Miata owners. The author has personally dismantled and reassembled a Miata, taking step-by-step pictures of all procedures. This, combined with his personal interest in the Miata and his years of writing and editing Haynes manuals, provides the background necessary to write the best Miata shop manual available. Coverage includes maintenance, repairs, modifications and improvements on all 1.6-liter Miatas from 1989-1994.
