One day when Jesus was teaching, "the power of the Lord was present for Him to heal the sick" (Luke 5:17). His same power is present in every believer today. Drawing from her experience as a worldwide healing ministry, Joan Hunter desires to help equip the church to receive and to minister God's miraculous healing in the four corners of the world. Many believers want to understand: How can I receive and retain healing? Why would God use me? What's the best way to approach someone who needs healing? How can I effectively pray for healing? The answers to these and other questions—plus practical guidance and examples—are designed to help believers fulfill the Great Commission: "Go into all the world, and preach the gospel to every creature" lay hands on the sick, and they shall recover".(Mark 16:15, 18b).

you think, you will see with renewed vision, and you will live with the heartbeat of God.

You've prayed for deliverance—you've forgiven those who have hurt or abused you—and yet you're still nursing the painful wounds of your past. Does this describe your experience? Many Christians have suffered unspeakable trauma and wonder why they aren't experiencing the freedom God has promised. The reason is that trauma goes deeper than the mind. It infiltrates the body at the cellular level, and only a deliverance that deals with the whole man—soul, spirit, and body—will treat the trauma and set you free—completely free. Speaking as one who has received miraculous healing herself and also ministered it to others, Christian author and healing expert Joan Hunter demonstrates how to find true freedom through such methods as—
Cursing cellular memory of rape and other forms of sexual abuse
Escaping the stress that wears you down
Renewing your mind with the mind of Christ
Forgiving those who have harmed you
Learning to love yourself
Accepting the unconditional love of your heavenly Father
As you break free from the bondage of trauma and pain, you will walk in deliverance and discover your true identity as a beloved child of God. You can be healed and whole! Start the recovery process today.
