Through Her Eyes, when I originally read the product review, sounded a bit to me like a book I read called "Wake Unto Me" which was a very good book so naturally I purchased "Through Her Eyes". Of course, when I began to read this book, I quickly realized how different the two stories were.

"You should read Behind Her Eyes...It's bloody brilliant." -Stephen King "An eerie thriller...Pinborough keeps us guessing about just who's manipulating whom - until the ending reveals that we've been wholly complicit in this terrifying mind game." -The New York Times Book Review Why is everyone talking about the ending of Sarah Pinborough's Behind Her Eyes? Louise is a single mom, a secretary, stuck in a modern-day rut. On a rare night out, she meets a man in a bar and sparks fly. Though he leaves after they kiss, she's thrilled she finally connected with someone. When Louise arrives at work on Monday, she meets her new boss, David. The man from the bar. The very married man from the bar...who says the kiss was a terrible mistake, but who still can't keep his eyes off Louise. And then Louise bumps into Adele, who's new to town and in need of a friend. But she also just happens to be married to David. And if you think you know where this story is going, think again, because Behind Her Eyes is like no other book you've read before. David and Adele look like the picture-perfect husband and wife. But then why is David so controlling? And why is Adele so scared of him? As Louise is drawn into David and Adele's orbit, she uncovers more puzzling questions than answers. The only thing that is crystal clear is that something in this marriage is very, very wrong. But Louise can't guess how wrong-and how far a person might go to protect their marriage's secrets. In Behind Her Eyes, Sarah Pinborough has written a novel that takes the modern day love triangle and not only turns it on its head, but completely reinvents it in a way that will leave readers reeling.

Told through the prism of the lives of 21 extraordinary women, this remarkable book offers an alternative vision of Irish history - one that puts the spotlight on women whose contributions have been forgotten or overlooked. Author Clodagh Finn travels through the ages to 'meet', among others, Macha, the Celtic horse goddess of Ulster; St Dahalin, an early Irish saint and miracle worker; Jo Hiffernan, painter and muse to the artists Whistler and Courbet; Jennie Hodggers, a woman who fought as a male soldier in the American Civil War; Sr Concepta Lynch, businesswoman, Dominican sister and painter of a unique Celtic shrine; the Overend sisters, farmers, charity workers and motoring enthusiasts; and Rosemary Gibb, athlete, social worker, clown and accomplished magician. From a Stone Age farmer who lived in Co. Clare more than 5,000 years ago to the modern-day founder of a 3D printing company, this book opens a fascinating window onto the life and times of some amazing women whose stories were shaped by the centuries in which they lived.

Every ghost has a story to tell. The last place Tansy Piper wants to be is stuck in Cedar Canyon, Texas, in the middle of nowhere, with a bunch of small-town kids. But when her mother decides to move to the desolate West Texas town, Tansy has no choice but to go along. Once there, Tansy is immediately drawn to the turret of their rickety old house, a place she soon learns has a disturbing history. But it's the strange artifacts she finds in the cellar—a pocket watch, a journal of poetry, and a tiny crystal—that have the most chilling impact on her. Tansy soon finds that through the lens of her camera, she can become part of a surreal black-and-white world where her life is intertwined with that of mysterious, troubled Henry, who lived in the same house and died decades earlier. It seems their lives are linked by fate and the artifacts she found, but as Tansy begins spending more and more time in the past, her present world starts to fade away. Tansy must untangle herself from Henry's dangerous reality—before she loses touch with her own life forever.

A "hauntingly original" psychological thriller about innocence, memory, and the effect of a moment of violence (O: The Oprah Magazine). In the girls' bathroom, Diana and her best friend, Maureen, are stealing a moment from the routine drudgery of high school when a classmate enters holding a gun. Suddenly, Diana sees her life—past, present, and acutely imagined future—dance before her eyes. Through prose infused with the dramatically feminine sensuality of spring, readers will experience sixteen-year-old Diana's uncertain steps into womanhood—her awkward, heated forays into sex; her fresh, fragile construction of an identity—and, in exhilarating detail, her life—not-lived as a doting mother and wife of forty. Together with the sights and sounds of renewal are the tasks of Diana's adulthood: protecting her beloved daughter and holding on to her successful husband. This "poetic" novel encompasses both the truth of a teenager's world and the transformations of midlife (Vanity Fair). Resonant and deeply stirring, The Life Before Her Eyes finds piercing beauty in the midst of a nightmare that echoes like a dirge beneath each new spring, in a story that "takes on deep matters of life and death; conscience and consciousness; family, love and friendship" (Los Angeles Times). "Evokes terror and redemption, shadows and light. Kasischke treads a delicate line with the precision and confidence of a tightrope walker. She reminds us to look hard at life, to notice its beauty and cruelty, even as it flashes before us and disappears." -The New York Times "Mesmerizing." -Chicago Tribune

From internationally-acclaimed thriller writer Grant McKenzie comes a novel that hits perilously close to home, and will keep you guessing until the last page. What if everything you believed about the worst event in your life was a lie? Ian Quinn's day begins with an anonymous death threat, but that's not entirely unusual in his line of work as a court-ordered child protection officer. The frustrated parents of his clients often need someone to lash out at - and Ian makes sure that he is the easiest target. But the threat is nothing compared to the envelope stuffed into his hand by a foul-smelling vagrant who mutters the cryptic message, "He says he's sorry" before scurrying away. The envelope with his name scrawled across the front contains a lone visitor's pass to the Oregon State Penitentiary, and the accompanying message fills Ian's heart with both terror and revulsion. The author of the note destroyed Ian's life. In the blink of an eye, this drunk-driving scum took the most precious thing in Ian's life. Worst of all, Ian had watched it happen. And now the bastard wants to see him. The message is short. Only seven words. I was paid to kill your daughter.
