Technical English Level 1 covers the core language and skills that students need to communicate successfully in all technical and industrial specifications.

Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone Second Edition Full Contact with DVD, Level 4 includes four key components of the Touchstone Second Edition series: Student's Book, Level 4; Workbook, Level 4; Level 4 Video Activity Pages; and Video on DVD.

Listen -- can you hear it? The explosive sequel to THE ROAR! From a whisper...to a scream! Telepathic twins Mika and Ellie at last are reunited. But if they're ever to free the brainwashed, microchipped child soldiers, they must pretend to play along with the tyrant Mal Gorman's maniacal plan, even as they mind-read his every evil thought. Members of an elite squadron of mutants, the brother and sister have specialized skills that will enable them to steal the top-secret formula for an age-reversing drug developed by rebel scientists on the wild side of The Wall. Juiced by these potent pills, the cadaver-like Gorman foresees a future in which he'll be forever young - released from the machinery that now supports him. Unless, that is, Ellie and Mika have a master plan of their own: to bring the all-powerful Gorman to his knees, and face-to-face with his greatest fear.

Cambridge English for Scientists is a short course (40-60 hours) for student and professional scientists.

Combines systematic training in exam techniques and thorough development of advanced level language skills.

Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. Teachers can choose from the BEC edition or the BULATS edition at the right level for their students. The Teacher's Resource Book is full of useful teaching tips and contains answer keys, tapescripts, model writing compositions, information about the BULATS test and the BEC exam, teaching notes and extra activities including complete extra lessons and case studies. Student's Books, Self-study Books and Audio CDs (2) are also available.

Provides extra classroom practice, homework, or independent learning when in-class participation is not possible. Feature two pages of exercises for each lesson in the student book, grammar charts and an answer key, practice reading and interpreting real-life documents.
