I Will Not Kill Myself, Olivia captures that experience and is one of the most singularly powerful book titles on depression on the market. What is to be found within its disc Depression is a life-threatening state of mind that can overcome a life and, ultimately, end it.

I Will Not Kill Myself, Olivia by Danny Baker
Still not sure if it's fact or fiction but as a sufferer myself that doesn't matter as its a great insight for anybody affected by mental health issues. As soon as I'd finished this gripping book I purchased the next one as I can relate to so much of this book I'm sure the second one will also touch on factors of my own illness

Amazon.co.uk:Customer reviews: I Will Not Kill Myself, Olivia
"Centred around Jimmy and Olivia's heartfelt, passionate and troubled love, I WILL NOT KILL MYSELF, OLIVIA is a painfully honest, authentic and provocative novel – one that presents a mesmerising portrayal of the all-consuming force of depression that dominates the main character – one that takes the reader on a highly emotional journey – and one that achieves a perfect balance of emotions, action and drama."

I Will Not Kill Myself, Olivia - Danny Baker
So please, take a minute to consider the four following reasons not to kill yourself. I have written them with you in mind, and I want your heart to hear and receive them so badly. 1. There are people who love you dearly, and it would crush them for hundreds of years. If you add up the emotional pain that all of your friends, relatives, co-workers, admirers, and past lovers would feel if they ...

What if I attempted to kill myself and it went wrong? What if it went right, but in the last few moments of my life I realized I had made a mistake and regretted it? What exactly happens after I ...

What It Means When You're Suicidal but Too Afraid to Die
When you kill yourself, you don't kill your sadness, you just pass it on to other people for the rest of their lives. 2. A doctor will have to tell your loved ones that they couldn't save you. We take doctors for granted all the time, but one of them will have to tell your family that they couldn't save you.

13 Reasons Why (You Shouldn't Kill Yourself)
don't actively want to kill yourself but would welcome death if it happened. You might view death as a release or way of taking control don't know why you are having suicidal thoughts or suicidal feelings, and are completely powerless to know what to do about it. We can talk with you through all of this.

I Will Not Kill Myself, Olivia | eBay
At death, the suicidal person merely "steps into" this hellish spiritual condition they created during life. All too often, people kill themselves without thinking how it will affect others. For example, my sister's father-in-law was bipolar and in a serious depression when he killed himself with a gun blast to his chest.

Will I Go To Hell If I Kill Myself? - The Afterlife

I Will Not Kill Myself, Olivia by Danny Baker (Paperback ...
It appears that there's absolutely no safe and painless way to kill yourself. There's always some possibility that it goes all wrong and you die an awful death. Or, you survive and live with a kind of physical disability, becoming a burden for someone who will have to take care of you possibly for decades.

How to Kill Yourself - Top 10 Easiest and Cheapest Methods ...
NO-HARM CONTRACT I,, agree to not harm myself in any way, attempt to kill myself, or kill myself during the period from to, (the time of my next appointment). I agree that, for any reason, if the appointed session is postponed, canceled, etc., that this time period is extended until the next direct meeting with my counselor.

First love never dies, but can depression bury it alive? Like most young adults, Jimmy Wharton is trying to carve out a happy, successful life for himself. It's hard enough to do under any circumstances, but when he starts suffering from depression, becoming the person he wants to be feels overwhelmingly unachievable, as his illness seems destined to shatter his world. Olivia, Jimmy's high school sweetheart and long-term girlfriend, initially tries to support him in every way she can. But as Jimmy spirals downwards, their relationship begins to break at the seams, and they are forced to face the devastating reality that as strong as they know their love is, the force of Jimmy's depression could be even stronger. Set against the backdrop of Sydney's iconic Manly Beach, "I Will Not Kill Myself, Olivia" is a tale about the intoxicating, heartbreaking, unforgettable experience of first love; about all the mistakes we make on the road to adulthood; and about an illness that afflicts 350 million people worldwide. You'll find this book appealing if: You're a fan of gritty, passionate love stories You want to relive the highs, the lows and the intoxicating rush that's unique to first love You're a young adult wanting to read about another young adult striving for the same things you are You're interested in understanding depression better; you suffer from depression yourself and you want to feel like you're not alone; or you want to see how you can better support a loved one with depression You're a parent of a young adult wanting to understand how easily your child can tumble into depression, and wanting to prepare yourself to be able to recognise the symptoms if they ever do (tragically, depression strikes about 20% of teens). You're unlikely to enjoy this book if you: Despise swearing Are put off by explicit sex scenes Are after a light-hearted story Editorial Reviews "Centred around Jimmy and Olivia's heartfelt, passionate and troubled love, I WILL NOT KILL MYSELF, OLIVIA is a painfully honest, authentic and provocative novel ... one that presents a mesmerising portrayal of the all-consuming force of depression that dominates the main character ... one that takes the reader on a highly emotional journey ... and one that achieves a perfect balance of emotions, action and drama." The Columbia Review "A modern day Romeo and Juliet - a powerful, heartwrenching story that takes you on an emotional rollercoaster ride as Jimmy and Olivia try to hang on desperately to love in the face of Jimmy's mounting depression." Nick Bleszynski, bestselling author "An explicitly realistic, absolutely intriguing and stunningly gritty novel ... one that snatches the reader's attention right from the start ... and one that provides fantastic food for thought for all young adults." Pacific Book Review "A romance story that tugs at the heart, and entices readers with pure raw emotion ... from steamy, unadulterated throes of passion to being tossed into the deepest, darkest depths of despair, Baker creates an immersive world for Jimmy and Olivia ... you will feel their love, experience their torment, and empathize with their pain." San Diego Book Review "While the protagonist's story can help people with depression to face their own problems and help non-sufferers understand the illness, I WILL NOT KILL MYSELF, OLIVIA will also appeal to a much broader audience - including young adults, who can view typical young adult behaviour from a different perspective; and parents, who after reading this book, may choose to become more attentive to their children." Portland Book Review "One of the most singularly powerful books about depression on the market." Midwest Book Review

This is a frank, compassionate book written to those who contemplate suicide as a way out of their situations. The author issues an invitation to life, helping people accept the imperfections of their lives, and opening eyes to the possibilities of love.

"Sue Blauner's you-are-there account . . . offers insight and understanding to anyone who has been touched by suicide."—Joan Anderson, author of A Year by the Sea An epidemic of international proportions, suicide has touched the lives of nearly half of all Americans, yet is rarely talked about openly. In this timely and important book, Susan Blauner breaks the silence to offer guidance and hope for those contemplating ending their lives—and for the loved ones who want to help them. A survivor of multiple suicide attempts, Blauner eloquently describes the feelings and fantasies surrounding suicide. In a direct, nonjudgmental, and loving voice, she offers affirmations and suggestions for those experiencing life-ending thoughts, and for their friends and family. Here is an essential resource destined to be the classic guide on the subject.

A highly imaginative and relatable guide for anyone who needs the reassurance that suicide is NEVER worth it. Are you inclined to escape the crumminess of everyday life into fantasy worlds? Are you smart and imaginative in a way that isn't really suited to your surroundings? Are you definitely misunderstood, likely angry, and almost certainly depressed? Set Sytes, hailing from the UK, would prefer you stay alive and sort things out rather than the alternative, thanks. He figures there are better opportunities for you out there and lays it all out in a way that's compelling, funny, sharp, and useful. This zine turned book (please don't call it a self-help guide, asks the author) is ultimately about how to be a person in the world. It can be done non-miserably, we promise.

For much of his thirties, Jesse Bering thought he was probably going to kill himself. He was a successful psychologist and writer, with books to his name and bylines in major magazines. But none of that mattered. The impulse to take his own life remained. At times it felt all but inescapable. Bering survived. And in addition to relief, the fading of his suicidal thoughts brought curiosity. Where had they come from? Would they return? Is the suicidal impulse found in other animals? Or is our vulnerability to suicide a uniquely human evolutionary development? In Suicidal, Bering answers all these questions and more, taking us through the science and psychology of suicide, revealing its cognitive secrets and the subtle tricks our minds play on us when we're easy emotional prey. Scientific studies, personal stories, and remarkable cross-species comparisons come together to help readers critically analyze their own doomsday thoughts while gaining broad insight into a problem that, tragically, will most likely touch all of us at some point in our lives. But while the subject is certainly a heavy one, Bering's touch is light. Having been through this himself, he knows that sometimes the most effective response to our darkest moments is a gentle humor, one that, while not denying the seriousness of suffering, at the same time acknowledges our complicated, flawed, and yet precious existence. Authoritative, accessible, personal, profound—there's never been a book on suicide like this. It will help you understand yourself and your loved ones, and it will change the way you think about this most vexing of human problems.

Celebrated transsexual trailblazer Kate Bornstein has, with more humor and spunk than any other, ushered us into a world of limitless possibility through a daring re-envisionment of the gender system as we know it. Here, Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world. A one-of-a-kind guide to staying alive outside the box, Hello, Cruel World is a much-needed unconventional approach to life for those who want to stay on the edge, but alive. Hello, Cruel World features a catalog of 101 alternatives to suicide that range from the playful (moisturize!), to the irreverent (shatter some family values), to the highly controversial. Designed to encourage readers to give themselves permission to unleash their hearts' harmless desires, the book has only one directive: "Don't be mean." It is this guiding principle that brings its reader on a self-validating journey, which forges wholly new paths toward a resounding decision to choose life. Tenderly intimate and unapologetically edgy, Kate Bornstein is the radical role model, the affectionate best friend, and the guiding mentor all in one.

A revised collection with thirteen essays, including six new to this edition and seven from the original edition, by the "star in the American literary firmament, with a voice that is courageous, honest, loving, and singularly beautiful" (NPR). Brilliant and uncompromising, piercing and funny, How to Slowly Kill Yourself and Others in America is essential reading. This new edition of award-winning author Kiese Laymon's first work of nonfiction looks inward, drawing heavily on the author and his family's experiences, while simultaneously examining the world—Mississippi, the South, the United States—that has shaped their lives. With subjects that range from an interview with his mother to reflections on Ole Miss football, Outkast, and the labor of Black women, these thirteen insightful essays highlight Laymon's profound love of language and his artful rendering of experience, trumpeting why he is "simply one of the most talented writers in America" (New York magazine).

The struggle with depression and anxiety affects so many of us. Being able to overcome these crippling issues is easier said than done. I Won't Kill Myself Today: Poems & Reflections from a Depression & Anxiety Survivor is a collection of riveting poems meant to inspire, provide hope, and show others they are not alone. Born from the author's personal struggles, each poem is lovingly crafted and filled with raw emotion.

From the author of the best-selling memoir An Unquiet Mind, comes the first major book in a quarter century on suicide, and its terrible pull on the young in particular. Night Falls Fast is tragically timely: suicide has become one of the most common killers of Americans between the ages of fifteen and forty-five. An internationally acknowledged authority on depressive illnesses, Dr. Jamison has also known suicide firsthand: after years of struggling with manic-depression, she tried at age twenty-eight to kill herself. Weaving together a historical and scientific exploration of the subject with personal essays on individual suicides, she brings not only her remarkable compassion and literary skill but also all of her knowledge and research to bear on this devastating problem. This is a book that helps us to understand the suicidal mind, to recognize and come to the aid of those at risk, and to comprehend the profound effects on those left behind. It is critical reading for parents, educators, and anyone wanting to understand this tragic epidemic.
