An owner's manual is an instructional book or booklet that is supplied with almost all technologically advanced consumer products such as vehicles, home appliances and computer peripherals. Information contained in the owner's manual typically includes: Safety instructions; for liability reasons these can be extensive, often including warnings against performing operations that are ill-advised for product longevity or overall user safety reasons. Assembly instructions; for products that arrive i

Through the story of a group of souls from another world preparing to enter physical existence on Planet Earth, a business consultant and popular speaker presents nine meditations designed to bring success, strength, and spirituality.

ARISE Official Homo Sapiens Operator's Guide: Maintaining Your Homo Sapiens Equipment offers basic maintenance techniques to keep your Homo Sapiens vehicle running smoothly. Some of the topics covered in Maintaining Your Homo Sapiens Equipment include preventive maintenance, why vegetables and fruits are actually fuel, friendly foods that heal the body and provide energy, and hostile fast foods that junk up one's system.

ARISE Official Homo Sapiens Operator's Guide: Take the Highway to Health will help prepare yourself to learn defensive techniques that will help end stress and worry. Discover the power of visualization, how to perform your own self-esteem tune-up, and how tobacco, alcohol, drugs, and anger can cause serious breakdowns.

The purpose of this program is to train and re-train mine hoist operators. The training is in three parts. In Part I the student will learn the basic components and operations of a mine hoist; in Part II the student will learn the specific components of the hoist they are being trained to operate; and Part III the student will become skilled in operating their assigned hoist. Test Question Booklet and Test Answer Booklet are separate. (Author).

ARISE Official Homo Sapiens Operator's Guide: Family Medical Records provides families with the information they need right at their fingertips. With high blood pressure, obesity, and heart disease on the rise, the Family Medical Records manual provides answers families need during medical emergencies or even just routine physicals.
