Mason is not imaginary. He's not a ghost, either. And he's most definitely not a hallucination. Mason is an Aerling, and the Sentinels' number one target. Sabine Saint Laurent is known as the Princess of Paris. Polite, beautiful, charming, polished...perfect. Everything is always under control, and when it isn't, she handles it. It's been an eventful few years with friends getting married, having babies, getting kidnapped, and almost dying, but she's made it through each upheaval with poise. Just as she's looking forward to things calming down, her entire life is upended by a startling piece of news. Aside from her agent managing her day-to-day

affairs, Sabine does not ask for help. Not even from her close knit group of friends and family. So when she finds herself struggling to cope with major changes in her life, she's determined to power through on her own. It should be easy enough. Everything is always easy for Sabine: modeling, men, money, languages, art, cooking. Finding out she's pregnant shouldn't be any different, right? Except it's not easy. Nothing about navigating pregnancy, custody, complications, and a man she despises trying to seduce her is simple. Michael Moniteau's intentions are questionable, but she desperately needs help and he's the only one who understands enough to give it. It could be the beginning of something wonderful, or it could break the heart she's kept carefully shielded for so long.

Her mom has disowned her. Her boyfriend tried to kill her. Her best friend is pretending she doesn't exist. Oh yeah, and the entire world hates her. Literally. Happy sweet sixteen, Libby Sparks. Not exactly an ideal birthday, but it's pretty much what Libby was expecting when she showed up for her mandatory Inquest. Trying to run crossed her mind, but being hunted down by the Guardians...again, didn't really sound much better than dying. Having all seven talents marks Libby as one person capable of destroying the world, so it's no big surprise when she ends up with a Guardian blade at her throat. What is a surprise is being spared in order to become a pawn of the most ruthless Guardian of them all. Play nice, hide her powers, and he'll let her live until her eighteenth birthday, when her full powers unlock. Sounds like a pretty good plan until the life of her one remaining friend, Milo, is threatened and she's forced to choose. Abandon her friend to save her own life or embrace her destiny and truly become the Destroyer.

Turning sixteen should mean driving, dating, and breaking curfew. It shouldn't mean certain death. Arrabella might have been excited for her upcoming birthday if her parents hadn't just moved her to the middle of nowhere. Worse than missing the city and her friends is the nightmare that assaults her every night. Stalking her dreams, a raven-haired girl warns her, taunts her, as she is paraded toward her death. In search of answers, Arra turns to her grandfather, the only person willing to delve into her family's dark past. Warning her that once she takes the first step, there is no going back, he begins to unwind their awful heritage. She can't tell her parents what is waiting for her, so she turns to a new friend, Tanner Wheeler, a young man she barely knows but is immediately drawn to. Together, they unravel a story of selfish betrayal that reaches back to an age of merciless gods and blood sacrifice.

Mason is not imaginary. He's not a ghost, either. And he's definitely not a hallucination. Mason is the one Aerling capable of saving an entire world. He thought he was going home, but surviving Sentinel attacks and making it back to the Aerling world is only the beginning of Mason's fight to protect the ones he loves. Every Aerling believes he can save them, but in order to win a battle that has been raging for millennium, Mason must face down the one man he truly fears, the only man capable of withstanding his power. This is one fight Mason may not be able to win.

Dreams, curses, and threats of death were supposed to over. After surviving an ancient Aztec curse, Arra is more than ready for her new life in the boring little town of Grainer, Maine...but she should have known better than to think it would last. The new dream of a lonely girl is odd, but Arra passes it off as nerves about starting school. Her boyfriend, Tanner, is push the dream out of her mind, until they walk onto the school campus and see the girl from Arra's dream. Tanner won't risk losing Arra again and demands she stay away from Sibeal, but Arra can't stop thinking about the girl's haunted expression. Arra can't walk away and let whatever curse has a hold of Sibeal claim her without trying to stop it. But what if Sibeal deserves the punishment? Arra's battle to make the right choice becomes more difficult when she is forced to seek help from her least favorite person. Sebastian Wallace is arrogant and irritating, but he has information she needs. As Arra tries to determine what the right choice is, she realizes saving Sibeal may be the least of her problems.

Uriah and Claire know their fight to be with each other is far from over, but the final battle they must face is one they never expected. Claire never thought she would be the one saving anybody ' s life. She never thought she would discover a secret destiny, either. Finding Uriah is Claire ' s top priority because, without her, he will never be able to defeat the Matwau. To find him, she needs help from the one person she trusts least. Quaile. Claire needs the book Quaile has kept hidden from the rest of the tribe. Claire desperately hopes it will hold the answers she needs to save Uriah ' s life. The book does hold answers, but not to everything. Lost memories, acceptance of destiny, and looking outside of reality provide a pathway to the answers they need most, but they also hold the power to break them both. The prices asked of them may finally be too high. If they are, their deaths will only be the beginning.

Uriah never believed in his tribe ' s old stories. When Claire ' s life is in danger, he must battle not only ancient myths and legends come to life, but the truth behind the lies he ' s been told all his life. He avoids her because of the strange physical pain he feels when they touch. She avoids him because the way everyone seems to do what he says scares her. When Claire needs to escape a bad situation, Uriah is her first choice, and he is eager to rescue her. Faced with each other for the first time, both Uriah and Claire find it impossible to listen to their fears and stay away from one another. They soon find out, though, that there is more than they ever thought possible trying to keep them apart. When Claire is poisoned by her vindictive father, Uriah ' s resolve is tested. Ancient Native American myths and legends spring to life. As they try to keep Uriah from saving Claire ' s life, they also begin to reveal the truth behind the lies he has been told all his life.
