A feckless boy is lured by a wicked magician into a trap but the scheme backfires — the boy, Aladdin, is left with a magical lamp and a genie who showers him with riches. Aladdin's wealth makes him an attractive suitor for the sultan's daughter, but when the evil sorcerer returns to kidnap the bride, the young hero must rescue his princess or die trying. This classic retelling of the ever-popular Middle Eastern folktale has entranced readers for over a century. Originally published in 1914 as part of Sindbad the Sailor and Other Stories from The Arabian Nights, this beautiful version by Laurence Housman features eight full-color images by Edmund Dulac, one of the era's most famous illustrators.

An introduction to the study of philosophy with discussions on several topics including God, politics, science and art.

She lost it all in one agonizing moment... Princess Michal is used to getting everything she wants, and she has her heart set on the young hero David. But their passionate love affair is destroyed by her father's murderous rage. Will David's departing promises be enough? David the King is no longer the charming harpist she gave her heart to. The most powerful man in Israel, he falls into the arms of the beautiful Bathsheba. Temptation comes in the form of a dashing Philistine warrior. Michal vows to be the only woman in David's heart, but does she know her own? A novel of betrayal, forbidden love, and redemption, Michal's Window is an imaginative retelling of King David's story through the eyes of the woman who loved him first.

In the first biography of Joan Crawford to give the full, uncensored story, bestselling author David Bret tells Crawford's rags to riches climb, from working in a Kansas City laundry to collecting an Oscar for her defining role in Mildred Pierce, and on to her devotion to Christian Science and reliance on vodka. He discusses the star's legendary relationship with Clark Gable, her countless love affairs, her marriages -- three of them to gay men -- and her obsession with rough sex. Bret divulges what really happened that led her to disinherit two of her four children, earning her the nickname "Mommie Dearest," as well as how her loathed mother forced Crawford to work as a prostitute, appear in pornographic films, and sleep her way to the top. Bret analyzes Crawford's films, many of which were constructed purely as vehicles where actress and character were often indistinguishable. Overtly generous towards her coterie of gay friends, she was heartless towards her enemies, particularly Bette Davis, her co-star in Whatever Happened to Baby Jane, with whom she shared a lifelong feud. Drawing on a wealth of unpublished material and interviews, David Bret presents a unique, fascinating portrait of a single-minded, uncompromising woman.

Are you intent on capturing the perfect sunset? A budding photojournalist? Or ready to take your holiday snaps to the next level? The Complete Guide to Digital Photography is your definitive guide to taking, processing and printing sharper, more colourful and better looking pictures. Ian Farrell's expert tips take you from the basics of using your camera to advanced darkroom techniques with 52 step-by-step projects including portraits, landscapes, still-life images, fast-moving objects and photographing live events. Venice, Italy - early 1800s Viola has been given three months to live but she refuses to die a virgin. She travels to Venice where she wants to experience physical pleasure with a man without causing a scandal for her family. Afterward, she plans to take her own life to ensure she exits the world painlessly and with dignity. Unfortunately, the man she meets in a disreputable club couldn't be a worse choice for her plans. Dante, a hedonistic vampire, saves Viola from a violent rake. To stop her from seeking out even more dangerous men to find carnal pleasures, he offers her a night of passion in his arms, only to discover she's a virgin. Viola flees, disdainful of the sex act and determined to end her life. Horrified, Dante stops Viola from harming herself and proceeds to deliver the pleasure he promised - one kiss and one touch at a time until she's ready to take all of him, over and over again. Then events force Dante's hand ... This is a deliciously naught novella of approx. 124 pages / 28,000 words. The book is illustrated with pictures of Venice from the author's personal collection. Scanguards

Vampires Series: Book 1: Samson's Lovely Mortal Book 2: Amaury's Hellion Book 3: Gabriel's Mate Book 4: Yvette's Haven Book 5: Zane's Redemption Out of Olympus Series: Book 1: A Touch of Greek Book 2: A Scent of Greek Venice Vampyr Series: Book 1: Venice Vampyr Book 2: Venice Vampyr – Final Affair Book 3: Venice Vampyr – Sinful Treasure Bundle (Novellas 1 – 3): Venice Vampyr – The Beginning Other Books: Lawful Escort

This guide demonstrates expert techniques to help make the best of your photography as well as step-by-step tutorials in achieving the most commonly encountered digital manipulations. It is illustrated with a mixture of fresh and original photographs, with a focus on positive results and how to achieve them.

Alpacas are amazing animals. The Alpaca Breeding Book is an essential tool for alpaca keeping and farming. You can have success raising alpacas and learn how to get alpacas pregnant easily with proven techniques. Find out why they breed differently than other livestock and why their behavior plays an important role in breeding successfully. Discover different breeding methods and great tips on how to improve your herd. This breeding book will help you have a better understanding about all aspects of alpaca care when breeding these wonderful animals.

When danger to the sheep leaves no alternative, a young Navajo boy breaks his promise to his father and is rewarded for his courage and good judgment.

Human rights debates can provoke strong reactions, particularly among people of different cultural backgrounds. The debate over Asian values and the use of human rights diplomacy are the most obvious manifestations of divisions between Asia and the West and reflect particular world views and historical legacies. In this new book, scholars from the United States and several Asian countries debate fundamental issues such as 'Asian values', 'peaceful evolution' and cultural imperialism. Provocative and challenging essays analyse the debate between East and West, presenting critical perspectives on globalization and human rights diplomacy. Debating Human Rights is an original contribution to a vital area of debate. It presents a uniquely wide diversity of perspectives on controversial issues and demonstrates how scholars and activists who view the world very differently can nonetheless move these debates forward in a search for common ground.
