Give your students a solid understanding of microeconomic principles and how these principles affect their daily lives with the unique EXPLORING MICROECONOMICS, 7E. Rather than a traditional encyclopedic text filled with technical details, this book offers a modern, back-to-basics approach designed to promote economic literacy and help students appreciate how microeconomics impacts life. The latest edition of this reader-friendly book includes a visually appealing design and the latest captivating content to encourage students to read and master the material. Packed with examples from current events and pop culture, EXPLORING MICROECONOMICS makes economics less intimidating, while conveying the real-world relevance of microeconomic principles. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This text uses calculus, algebra, and graphs to present microeconomic theory using actual examples, and then encourages students to apply the theory to analyse real-world problems. This 2nd edition has been substantially updated and revised, and is now offered with MyEconLab.
