Manual of Engineering Drawing is a comprehensive guide for experts and novices for producing engineering drawings and annotated 3D models that meet the recent BSI and ISO standards of technical product documentation and specifications. This fourth edition of the text has been updated in line with recent standard revisions and amendments. The book has been prepared for international use, and includes a comprehensive discussion of the fundamental differences between the ISO and ASME standards, as well as recent updates regarding legal components, such as copyright, patents, and other legal considerations. The text is applicable to CAD and manual drawing, and it covers the recent developments in 3D annotation and surface texture specifications. Its scope also covers the concepts of pictorial and orthographic projections, geometrical, dimensional and surface tolerancing, and the principle of duality. The text also presents numerous examples of hydraulic and electrical diagrams, applications, bearings, adhesives, and welding. The book can be considered an authoritative design reference for beginners and students in technical product specification courses, engineering, and product designing. Expert interpretation of the rules and conventions provided by authoritative authors who regularly lead and contribute to BSI and ISO committees on product standards Combines the latest technical information with clear, readable explanations, numerous diagrams and traditional geometrical construction techniques Includes

new material on patents, copyrights and intellectual property, design for manufacture and end-of-life, and surface finishing considerations

The son of a dustman, Shane Richie has come a long way from the rough streets of London's Harlesden. As EASTENDERS' loveable rogue Alfie Moon, he is now the 'darling' of every soap fan in Britain. But it has been an incredible roller-coaster ride to the top. Shane grabbed the trappings of fame with both hands, sleeping with a string of women and indulging in the champagne lifestyle to excess. The hugely popular television entertainer started life as a Pontins Bluecoat before making his name as the star of the musical GREASE. A successful TV career saw him quickly become the face of Saturday night entertainment with shows such as LUCKY NUMBERS, WIN, LOSE OR DRAW!, LOVE ME DO and the SHANE RICHIE EXPERIENCE. In RAGS TO RICHIE, Shane writes candidly about his years of womanising, the agonising break-up of his marriage to singer Colleen Nolan and the days of heavy drinking. He also reveals how he coped through his career nose-dive, his money troubles and the loss of almost everything important to him. In this fascinating read, Shane lifts the lid on his 25 amazing years in showbusiness, emerging as a gifted actor, generously spirited man and a unique star.

'The thought behind this book is not just me wanting to tell my story in the standard autobiographical fashion but to create a kind of self-help book that includes my story. There are many things people don't know about me and maybe when they read about those things they will have an understanding of the journey I have been on, why I've made the mistakes I have and hopefully help other people overcome their adversities.' Life has presented its fair share of setbacks for James Arthur, from his disrupted childhood - during which he felt like a stray and a misfit, entering the care system in his teens - to a very public fall from favour just at the point when all his dreams should have been coming true. With an extraordinary comeback over the last few months, starting with #1 single Say You Won't Let Go and his Platinum album Back From The Edge, Back To The Boy shows the British singer and songwriter not only reflecting on his past but also his return to the charts, and the phenomenal global success that followed. James shares his struggles with mental health issues which led to drug-abuse, and how he dealt with the feelings of intense pressure and loneliness that accompanied his sudden rise to fame. Back to the Boy gives an insight into the life of one of the most exciting musicians of today, and how his experiences are reflected in the blend of raw emotion and passion in his music. This is a story of hope and self-discovery to inspire those who have ever hit rock-bottom and managed to pick themselves up again.

From humble beginnings in Middlesex, where money was scarce but dreams were encouraged, to the award-winning godfather of

electronica, Gary Numan has seen it all. His incredible story can be charted in two distinct parts . . . The first: a stratospheric rise to success quickly followed by a painful decline into near obscurity. At school, Gary fell through the cracks of the system and was expelled. An unlikely but determined popstar, he earned his first record deal aged nineteen and, two years later, had released four bestselling albums and had twice toured the world. But, aged just twenty-five, it felt like it was all over. Gary's early success began to hold him back and he battled to reconcile the transient nature of fame with his Asperger's syndrome. The second: a twenty-plus year renaissance catalysed by a date with a super-fan. Gary catalogues his fifteen-year struggle with crippling debts, his slow, obstacle-laden journey back to the top (and the insecurity that comes with that) and why Savage reaching #2 in 2017 meant more than the heady heights of 1979. Gary also candidly discusses the importance of his fans; why having Asperger's is a gift at times; the inspiration behind the lyrics; flying around the world in 1981; IVF struggles and the joy of fatherhood and his battle with depression and anxiety. (R)evolution is the rollercoaster rise and fall (and rise) of one man, several dozen synthesisers, multiple issues and two desperately different lives. By turns hilarious and deeply moving, this is Gary Numan in his own words - a brutally honest reflection on the man behind the music.

\*\*\* The Hilarious Number One Sunday Times Bestseller! \*\*\* The follow-up autobiography to one of Britain's best loved actors and national treasures In his first book David Jason told us about himself from his early years training as an electrician through to making it as one of Britain's greatest actors. This autumn, in a follow up autobiography, he tells us about the many other lives he has lived – his characters. From Del Boy to Granville, Pop Larkin to Frost, he takes us behind the scenes and under the skins of some of the best loved acts of his career. And in the process he reflects on how those characters changed his life too. The result told with his characteristic charm and wit is both funny and poignant, honest and heart warming.

City of Friends is the number one bestselling twentieth novel from the highly acclaimed author, Joanna Trollope. She glanced at her phone again. There were appeals from the girls, from her colleagues, a text from Steve reading with uncharacteristic imperiousness, 'Call me.' She couldn't. She couldn't call anyone . . . She leaned forward, gripping the edge of the bench, and stared at the ground. God, she thought, am I losing my mind? Is this what happens when you lose your job? The day Stacey Grant loses her job feels like the last day of her life. Or at least, the only life she'd ever known. For who was she if not a City high-flyer, Senior Partner at one of the top private equity firms in London? As Stacey starts to reconcile her old

life with the new - one without professional achievements or meetings, but instead, long days at home with her dog and ailing mother, waiting for her successful husband to come home - she at least has The Girls to fall back on. Beth, Melissa and Gaby. The girls, now women, had been best friends from the early days of university right through their working lives, and for all the happiness and heartbreaks in between. But these career women all have personal problems of their own, and when Stacey's redundancy forces a betrayal to emerge that was supposed to remain secret, their long cherished friendships will be pushed to their limits . . .

A collection of Bennett's diaries and essays, covering 2005 to 2015 Alan Bennett's third collection of prose, *Keeping On Keeping On*, follows in the footsteps of the phenomenally successful *Writing Home* and *Untold Stories*. Bringing together the hilarious, revealing, and lucidly intelligent writing of one of England's best-known literary figures, *Keeping On Keeping On* contains Bennett's diaries from 2005 to 2015—with everything from his much celebrated essays to his irreverent comic pieces and reviews—reflecting on a decade that saw four major theater premieres and the films of *The History Boys* and *The Lady in the Van*. A chronicle of one of the most important literary careers of the twentieth century, *Keeping On Keeping On* is a classic history of a life in letters.

Norman the Norman is at it again! And this time the Duchess of Normandy is determined that her William should have little Norman helping with this "Conquest thingy". After all he is Normandy's bravest broadsword swinging hero! But can Norman even make it to the boat on time? Or are there other adventures to be had with robbers, giants, a messenger called Barry, and Matilda the very small Duchess... Enticing combination of historical facts, supposition, slapstick humour and authorial asides. Comic genius.
