Paperback edition The most famous sports book in the world, Wisden Cricketers' Almanack has been published every year since 1864. Home to some of the finest sports writing of the year o from the likes of Lawrence Booth, Gideon Haigh, Rob Smyth, Patrick Collins, Simon Wilde, Osman Samiuddin, Tony Cozier, Benj Moorehead, Raf Nicholson and Dileep Premachandran o it includes the eagerly awaited Notes by the Editor, the Cricketers of the Year awards, and the famous obituaries. As always, it contains coverage of every first-class game in every cricket nation, and reports and scorecards for all Tests and ODIs, together with trenchant opinion, compelling features and comprehensive records. A perennial bestseller in the UK, yet again this year's edition o the 157th, Wisden 2020 o is truly a "must-have" for every cricket fan. "There can't really be any doubt about the cricket book of the year, any year- it's obviously Wisden" Andrew Baker in the Daily Telegraph @WisdenAlmanack

The most famous sports book in the world, Wisden Cricketers' Almanack has been published every year since 1864. Wisden 2012 - the 149th

edition - contains coverage of every first-class game in every cricket nation, and reports and scorecards for all Tests and ODIs. Including the eagerly awaited Notes by the Editor, the Cricketers of the Year awards, and some of the finest sports writing of the year - such as the brilliant obituaries - together with trenchant opinion, compelling features and comprehensive records, Wisden Cricketers' Almanack truly is a "must-have" for every cricket fan. A perennial bestseller in the UK. "There can't really be any doubt about the cricket book of the year, any year: it's obviously Wisden". Andrew Baker in the Daily Telegraph

The 142nd edition of the world's most famous sports book emerges in sprightly mood, and, with full reports of England's eventful tour of South Africa, it is more up-to-date than any previous Wisden. Wisden 2005 explains how the mighty confusion of Indian TV bankrolls the game. One great Australian, Richie Benaud, pays homage to another, Keith Miller. And there is a full history of chucking controversies, reports on South Africans' lingering love affair with Hansie Cronje and, from Sri Lanka, how cricket rose to the challenge of the terrible tsunami. And there are full reports of an amazing cricketing year: the world records for Brian Lara, Murali and Shane Warne, and coverage of every match of England's astonishing winning sequence that took them from Jamaica to Johannesburg - and a dozen Test victories - in just ten months. Elsewhere Wisden brings news of the ground where it hasn't rained in 15 years, the brothel that caters solely for professional cricketers and how an electric buggy, a TV camera and 15 hot air balloons stopped play. And there's an interview with cricket's most famous Slovak goalkeeper. All this - and much more - makes Wisden Cricketers' Almanack the essential companion for every follower of cricket.
