NEW! Best-selling USMLE author and award-winning medical educator Dr. Conrad Fischer presents the only full-color USMLE guide on the market to cover the clinical conditions and patient management scenarios tested on the Step 2 CK exam. New from best-selling USMLE author and award-winning medical educator, Dr. Conrad Fischer, comes the only full-color USMLE guide on the market to present the clinical conditions and patient care scenarios encountered on the Step 2 Clinical Knowledge exam. Students take the USMLE Step 2 CK Exam during their final year of medical school. The Step 2 Clinical Knowledge is a multiple-choice exam designed to determine whether the examinee possesses the medical knowledge and understanding of clinical science considered essential for the provision of patient care under supervision. Kaplan Medical USMLE Master the Boards Step 2 CK is the first book that covers the content of the exam in a logical and methodical fashion, emphasizing several categories of residency including: A logical step-by-step approach to patient care An assessment of severity, prognosis, and next course of action for specific conditions How to prioritize while managing, especially in emergency or acute cases An outline of signs/symptoms and diagnostic or lab tests that signify the need for change in management approaches

Fully revised and updated by Dr. Conrad Fischer—Kaplan's award-winning medical educator, teaching and mentoring tomorrow's leaders in medicine. The physical findings questions that appear on Steps 2 and 3 of the USMLE are complicated and challenging. Flashcards are an ideal format for busy medical students studying between classes and during breaks at their rotations or residency. Kaplan Medical USMLE Physical Findings Flashcards give students a detailed review of what doctors see and hear from patients—a key information exchange that leads to accurate diagnoses. Kaplan Medical USMLE Physical Findings Flashcards feature: 200 color flashcards in laminated 5x7 format Pictures and vignettes with questions on one side, answers on the reverse The physical findings most likely to appear on the exam Online Companion includes audio and video similar to the multimedia encountered on the exam

Concise and easy to use, USMLE Step 2 Secrets, by prolific author Theodore X. O ` Connell, MD, is an effective, high-yield review for achieving success on this high-stakes exam. Presented in the popular, time-tested Secrets® Q&A format, this bestselling USMLE review book prepares you for the broad-based diagnosis, treatment, and management questions you ` ll face on the vignette-style USMLE exam. The proven Secrets® format gives you the most return for your time – concise, easy to read, engaging, and highly effective. Essential questions and answers cover the key conditions you will be expected to recognize, all specialty and subspecialty topics, and necessary clinical concepts. Top 100 Secrets, tips, and memory aids provide a fast overview of the secrets you must know for success in practice and on exams. Portable size makes it easy to carry with you for quick reference or review anywhere, anytime. Thoroughly updated to ensure that content reflects the current USMLE exam. New color images added throughout, plus numerous figures, tables, and summary boxes for visual overview of essential, board-relevant content.
