A fresh perspective, an outdoor exploration, a new adventure about to begin—How to Be a Wildflower is the book to celebrate these and other wide-open occasions. Encouraging self-discovery through encounters with nature, beloved artist Katie Daisy brings her beautiful paintings and lettering to this collection of things to do and make, quotes, meditations, natural history, and more. A recipe for strawberry rhubarb pie, a prompt to hike by the light of the moon, a place to press flowers: every page inside the charming textured two-piece case invites readers to wander, gather, savor, and ponder the natural

world around them. For every wild and free spirit—and those who aspire to be—this is a field guide to living life to the fullest.

FINALIST FOR 2018 KIRKUS PRIZE NAMED ONE OF THE "BEST LITERARY FICTION OF 2018" BY KIRKUS REVIEWS "Sci-fi in its most perfect expression...Reading it is like having a lucid dream of six years from next week, filled with people you don't know, but will." --NPR "[Williams's] wit is sharp, but her touch is light, and her novel is a winner." - San Francisco Chronicle "Between seasons of Black Mirror, look to Katie Williams' debut novel." --Refinery29 Smart and inventive, a page-turner that considers the elusive definition of happiness. Pearl's job is to make people happy. As a technician for the Apricity Corporation, with its patented happiness machine, she provides customers with personalized recommendations for greater contentment. She's good at her job, her office manager tells her, successful. But how does one measure an emotion? Meanwhile, there's Pearl's teenage son, Rhett. A sensitive kid who has forged an unconventional path through adolescence, Rhett seems to find greater satisfaction in being unhappy. The very rejection of joy is his own kind of "pursuit of happiness." As his mother, Pearl wants nothing more than to help Rhett--but is it for his sake or for hers? Certainly it would make Pearl happier. Regardless, her son is one person whose emotional life does not fall under the parameters of her job--not as happiness technician, and not as mother, either. Told from an alternating cast of endearing characters from within Pearl and Rhett's world, *Tell the Machine Goodnight* delivers a smartly moving and entertaining story about the advance of technology and the ways that it can most surprise and define us. Along the way, Katie Williams playfully illuminates our national obsession with positive psychology, our reliance on quick fixes. What happens when these obsessions begin to overlap? With warmth, humor, and a clever touch, Williams taps into our collective unease about the modern world and allows us see it a little more clearly.

"Vivid and charming."—CHARLAINE HARRIS, #1 New York Times bestselling author of the *Sookie Stackhouse* series He was her hero, But one wrong move ended their future before it could begin. Now he'll do whatever it takes to keep her safe, Even if that means turning against one of his own. As a member of the Field County Sheriff's Department, Chris Jennings is used to having it rough. The Colorado Rockies aren't for the weak-of-spirit, but he's devoted his life to upholding the law-and to protecting the one woman he knows he can never have. He'll do whatever it takes to keep her safe. Daisy Little has lived in agoraphobic terror for over eight years. Trapped within a prison of her own making, she watches time pass through her bedroom window. Daisy knows she'll never be a part of the world...until the day she becomes the sole witness of a terrible crime that may finally tear the Search & Rescue brotherhood apart for good. In the remote Rocky Mountains, lives depend on the Search & Rescue brotherhood. But in a place this far off the map, trust is hard to come by and secrets can be murder... "Gripping suspense, unique heroines, sexy heroes." —CHRISTINE FEEHAN, #1 New York Times Bestselling Author Search and Rescue Series: *On His Watch* (FREE novella) *Hold Your Breath* (Book 1) *Fan the Flames* (Book 2) *Gone too Deep* (Book 3) *In Safe Hands* (Book 4) *After the End* (FREE novella) *What People Are Saying*: "I love Ruggle's characters. They're sharply drawn, and vividly alive. I'm happy when they find each other. These are wonderful escapist books."—CHARLAINE HARRIS, #1 New York Times Bestselling author of the *Sookie Stackhouse* series "Sexy and suspenseful, I couldn't turn the pages fast enough."—JULIE ANN WALKER, New York Times and USA Today Bestselling Author for *Hold Your Breath* "Chills and thrills and a sexy slow-burning romance from a terrific new voice."—D.D. AYRES, author of the *K-9 Rescue Series* for *Hold Your Breath*

Inspired by true events, in Sofia Grant's powerfully moving new novel a young woman peels back the layers of her family's history, discovering a tragedy in the past that explains so much of the present. This unforgettable story is one of hope, healing, and the discovery of truth. Sometimes the untold stories of the past are the ones we need to hear... When Katie Garrett gets the unexpected news that she's received an inheritance from the grandmother she hardly knew, it couldn't have come at a better time. She flees Boston—and her increasingly estranged husband—and travels to rural Texas. There, she's greeted by her distant cousin Scarlett. Friendly, flamboyant, eternally optimistic, Scarlett couldn't be more different from sensible Katie. And as they begin the task of sorting through their grandmother's possessions, they discover letters and photographs that uncover the hidden truths about their shared history, and the long-forgotten tragedy of the New London school explosion of 1937 that binds them. .

This beautiful set of colored pencils features 10 rich hues, each complemented by a unique barrel design, sure to inspire seekers and creatives in all of their colorful pursuits.

PRINCESS DIARIES MEETS MADE IN CHELSEA Daisy Winters, average sixteen-year-old, has no desire to live in the spotlight - but it's not up to you when your perfect older sister is engaged to the Crown Prince of Scotland. The crown - and the intriguing Miles - might be trying to make Daisy into a lady, but she may have to rewrite the royal rulebook.

Spark childlike wonder as you color your way through a journey of wildflowers, butterflies, birds, hot-air balloons, and other visual delights from beloved illustrator Katie Daisy. With each illustration she revels in the joy of everyday life and her love of nature invites you along to color, be present, have an open heart, and see the magic in the world. Quotes in Daisy's signature lettering style are sprinkled throughout, ready for you to apply your own color palette so they can spring to life.

"Katie Fforde's unique spin on romantic comedy is a blend of the sweet, the sad, and the sexy." —Patricia Gaffney Sarah is a wedding planner hiding a rather inconvenient truth—she doesn't believe in love. But as the confetti flutters away on the June breeze of yet another successful wedding season she finds herself agreeing to organize two more events, on the same day, and only two months away. And while her celebrity bride is all sweetness and light, the other bride, Sarah's own sister, quickly starts driving her crazy with her high expectations and very limited budget. Luckily, Sarah is aided in her seemingly impossible task by two best friends, Elsa, an accomplished dress designer, and Bron, a multitalented hairdresser. All three are very good at their jobs, but romance doesn't feature very prominently in any of their lives. As the big day draws near, every moment is spent preparing for the weddings, and they certainly haven't got any time to even think about love; or have they?
