The first assault units (Sturmtruppen) were formed during the spring and summer of 1916, when the Sturmbataillon Rohr was organized and after General Falkenhayn, head of the OHL, gave orders for the creation of special detachments. These detachments had the mission of spreading the Stosstrupptaktik, a new tactic which decisively transformed the fighting methods of the German Army. But long before this happened, another type of troops had been created within the German infantry during the winter of 1914-1915: the Shock troops (Stosstruppen), fresh infantry groups that were never officially recognized as such and never belonged to any permanent unit, but remained active until the end of the war and contributed to improving the offensive capacity of the German infantry. This book is a narration of the history of the shock and assault troops and covers their combat methods. Finally, it offers a comprehensive description of their uniforms, equipment, and weapons, along with a large number of illustrations and period photographs rarely seen.

A brand-new edition of the greatest work from comics master Joe Kubert! The astonishing true story of a family in Sarajevo, Bosnia, trapped in a city under siege as war and genocide rage around them, with only a fax machine to communicate. On the receiving end of these faxes from his trapped friend, Kubert brilliantly illustrates their struggle toward freedom against the worst kind of odds. It's the tale of a very real war, told from the perspective of innocent victims, but it's also full of strength, survival, and love.

On the trail of the Beast of Gévaudan, Vanitas and Noé are led to the heart of the incident and the noble house of d'Apchier. There, they discover that a brave, heartrending wish to save a daughter from a vampire's fate became the haunting first cry of the Beast itself...

Twenty years in the future, Bruce Wayne wakes up in Arkham Asylum. Young. Sane. And... he's never been Batman. So begins this sprawling tale of the Dark Knight as he embarks on a quest through a devastated DC landscape, featuring a massive cast of familiar faces from the DC Universe. As he tries to piece together the mystery of his past, he must unravel the cause of this terrible future and track down the unspeakable force that destroyed the world as he knew it... From the powerhouse creative team of writer Scott Snyder and artist Greg Capullo, the team that reinvented Batman from the emotional depths of Batman: Court of Owls to the epic power of Dark Nights: Metal, DC presents what could be the last Batman story ever told... Collects Batman: Last Knight on Earth #1-3.

A South American adventure. A trip to die for. When a young film school graduate ditches a career conjuring fictional stories and chooses instead to travel the five continents by making and selling jewellery on the streets of the world - he soon discovers he's bitten off a larger dose of reality than he had bargained for.
