Across practice areas and jurisdictions, new lawyers need fundamental lawyering skills. *Global Lawyering Skills* is designed to teach these fundamental lawyering skills by introducing students to a broader range of skills than a traditional research and writing textbook. While the book covers foundational objective and persuasive legal writing skills, it also addresses other lawyering skills, such as oral argument, alternative dispute resolution, transactional drafting, and client interviewing and counseling. Additionally, students need an understanding of how cross-cultural and transnational considerations impact the practice of law. *GLS* is one of the only legal research and writing textbooks available that covers foreign legal systems, intercultural competence, and cross-cultural considerations in the practice of law. *GLS* is sufficient for a two-year
