#1 NEW YORK TIMES BESTSELLER • Long before the First Order, before the Empire, before even The Phantom Menace . . . Jedi lit the way for the galaxy in The High Republic It is a golden age. Intrepid hyperspace scouts expand the reach of the Republic to the furthest stars, worlds flourish under the benevolent leadership of the Senate, and peace reigns, enforced by the wisdom and strength of the renowned order of Force users known as the Jedi. With the Jedi at the height of their power, the free citizens of the galaxy are confident in their ability to weather any storm But the even brightest light can cast a shadow, and some storms defy any preparation. When a shocking catastrophe in hyperspace tears a ship to pieces, the flurry of shrapnel emerging from the disaster threatens an entire system. No sooner does the call for help go out than the Jedi race to the scene. The scope of the emergence, however, is enough to push even Jedi to their limit. As the sky breaks open and destruction rains down upon the peaceful alliance they helped to build, the Jedi must trust in the Force to see them through a day in which a single mistake could cost billions of lives. Even as the Jedi battle valiantly against calamity, something truly deadly grows beyond the boundary of the Republic. The hyperspace disaster is far more sinister than the Jedi could ever suspect. A threat hides in the darkness, far from the light of the age, and harbors a secret that could strike fear into even a Jedi’s heart.

At last—an analysis of the historical patterns that influenced the creation and storyline of the Star Wars saga Star Wars took place long ago in a galaxy far, far away, but its epic stories are based on our own history. From Ancient Egypt and the Roman Empire to the French Revolution and the Vietnam War, Star Wars and History explores the major historical turning points, heroes, and villains in human history and their impact on the creation of the Star Wars saga. Star Wars and History shows how the atomic and hydrogen bombs led to the Death Star; how Princess Leia's leadership in the Rebel Alliance resembled the daring work of intrepid women in the French Resistance during World War II and the Mexican Revolution; historical parallels between the Jedi Code and Bushido as well as those linking the Jedi culture with that of the Templar Knights and other warrior monks; and all of the history that underlies the Star Wars galaxy. Read how our own civilization's civil wars, slavery, international corporation states, and teenage queens were transformed into the epic Star Wars history and discover how Tatooine reflects the lawless frontiers of the past and Coruscant our own history of glittering and greedy capitals. The first book devoted to analyzing the actual historical events in our past that influenced the creation of the space fantasy, Star Wars Features 11 essays by a wise "council" of history scholars, written in close collaboration with George Lucas and Lucasfilm Gives new insights into central Star Wars characters and historical figures who helped inspire them (including Luke Skywalker, Princess Leia, Han Solo, Darth Vader, Obi-Wan Kenobi, Queen Amidala, Yoda, Jabba the Hutt, Lando Calrissian, Emperor Palpatine, and others) Includes both stunning photos from the Lucasfilm Image Archives and historical photos that demonstrate the parallels between both worlds Filled with fascinating historical comparisons and background that will take your experience of the Star Wars saga to a new level, Star Wars and History is an essential companion for every Star Wars fan.

A newly knighted Jedi on her first mission, eighteen-year-old Kerra Holt has joined a band of Jedi volunteers traveling deep behind enemy lines.

Based on all six of the Star Wars movies, tells the story of Anakin Skywalker from his birth in slavery to his death as the powerful Darth Vader. Reprint.

"This collection of stories tells the origin of that tribe. It includes all eight of the Lost tribe of the Sith stories, as well as Pandemonium, the final chapter."--Publisher description.

Luke Skywalker and Lando Calrissian return in this essential novel set between Return of the Jedi and The Force Awakens. The Empire is dead. Nearly two decades on from the Battle of Endor, the tattered remnants of Palpatine's forces have fled to the farthest reaches of the galaxy. But for the heroes of the New Republic, danger and loss are ever-present companions, even in this newly forged era of peace. Jedi Master Luke Skywalker is haunted by visions of the dark side, foretelling an ominous secret growing somewhere in the depths of space, on a dead world called Exegol. The disturbance in the Force is undeniable...and Luke's worst fears are confirmed when his old friend, Lando Calrissian, comes to him with reports of a new Sith menace. After his daughter was stolen from his arms, Lando searched the stars for any trace of his lost child. But every new rumor only led to dead ends and fading hopes-until he crossed paths with Ochi of Bestoon, a Sith assassin tasked with kidnapping a young girl. Ochi's true motives remain shrouded to Luke and Lando. For on a junkyard moon, a mysterious envoy of the Sith Eternal has bequeathed a sacred blade to the assassin, promising that it will give him answers to the questions that have haunted him since the Empire fell. In exchange, he must complete a final mission: return to Exegol with the key to the Sith's glorious rebirth-the granddaughter of Darth Sidious himself, Rey. As Ochi hunts Rey and her parents to the edge of the galaxy, Luke and Lando race into the mystery of the Sith's lingering shadow and aid a young family running for their lives.
