Textbook on the mechanics and strength of materials. Illus.

A lively examination of the spirit and practices that have made the indie movement into a powerful cultural phenomenon You know the look: skinny jeans, Chuck Taylors, perfectly mussed bed-head hair; You know the music: Modest Mouse, the Shins, Pavement. You know the ethos: DIY with a big helping of irony. But what does it really mean to be "indie"? As popular television shows adopt indie soundtracks and the signature style bleeds into mainstream fashion, the quirky individuality of the movement seems to be losing ground. In Slanted and Enchanted, Kaya Oakes demonstrates how this phase is part of the natural cycle of a culture that reinvents itself continuously to preserve its core ideals of experimentation, freedom, and collaboration. Through interviews and profiles of the artists who have spearheaded the cause over the years—including Mike Watt, David Berman, Kathleen Hanna, and Dan Clowes—Oakes examines the collective creativity and cross-genre experimentation that are the hallmarks of this popular lifestyle trend. Her visits to music festivals, craft fairs, and smaller collectives around the country round out the story, providing a compelling portayal of indie life on the ground. Culminating in the current indie milieu of music, crafting, style, art, comics, and zines, Oakes reveals from whence indie came and where it will go next.

naked with a flicker of memory, lips painted fire-engine red and that maniac-inducing fifties pin-up girl look that I'd dismissed as silly when the girls in college wore it - but that made her smoking hot. Down, boy. God damn Charlotte, my ex-girlfriend, had to be here, of all places. At a bachelorette party where I was a stripper, dressed in a cop uniform with pants that suddenly got way too tight. And she had to be so fine. "Ooooh, honey, you're one big officer," said a sultry voice behind me as I watched Charlotte in the other room, chatting with the bride. A hand stroked my hip and hesitated before sliding a bit lower, filling a palm with my ass. "Arrest me, Officer. I've been a bad, bad girl." With one look at the source of the voice, my night went from Oh, man to Oh, no. That voice? That hand? That was my mother. ----- Random Acts of Hope is the fourth book in the romantic comedy Random series, and features guitar player Liam McCarthy from the band, Random Acts of Crazy. Five years ago, Liam and his girlfriend, Charlotte Greyson, were deeply in love. When a betrayal eviscerates them both, each clings to their separate truths as an anchor to navigate the perfect storm. But when the biggest ego in the band reconnects with the only woman who stole his heart, sparks fly in this sequel that asks whether you can believe in the impossible without sacrificing every ideal you hold - in order to find a love bigger than you ever imagined. Topics: contemporary romance, romantic comedy, new adult romance, rockstar romance, rock star romance, coming of age romance, erotic romance, seductive story, hot romance, women's fiction, women's romance, bbw romance, college romance, contemporary woman julia kent, julia kent romance

From #1 international bestseller Ian Rankin, an unlucky spy gets one last chance at redemption. Miles Flint is a spy who has been making some serious mistakes. His last assignment led to the death of a foreign official in London, and after getting too close to his current subject he wound up in police custody. But something is wrong at the agency that has nothing to do with Miles' errors. Why did his last suspect know more about Miles' assignment than Miles did? Why have so many operatives recently resigned? Despite the Director's assurances, Miles begins his own investigation, to the dismay of his colleagues and even his own wife. Then Miles is sent to Belfast on a routine mission, a mission that confirms his darkest suspicions -- and threatens his life.

"Edgy, erotic, and breathtaking." --Maya Banks, New York Times bestselling author Man On A Mission When Lara Kirk was abducted months ago, Miles Davenport vowed he'd bring her home. But the mission failed. Now, finding her after all this time will be next to impossible. . . Lara Kirk lives in a shadowy world where reality and fantasy are blurred. Enslaved by her captors, Lara has formed a deep attachment to a man she's not even sure is real--until the six-foot-five-inch powerhouse bursts in to rescue her. . . Once freed, Lara has no choice but to trust Miles with her life as they run from enemies too twisted to imagine. But they're also fighting a dangerous attraction that could kill--or save--them both. Either way, it's going to be a hell of a ride. . . Praise for the Novels of Shannon McKenna. . . "McKenna tantalizes the reader." --Publishers Weekly "McKenna blasts readers with a highly charged, action-adventure romance." --Booklist "An erotic romance in a suspense vehicle on overdrive. . .sizzles!" --RT Book Reviews

Provides guidance on repairing the ignition, carburetors, fuel systems, rewind starters, electrical systems, and other parts of small gas engines

Finger plays, jingles, and musical games provide entertainment for the nursery.

Notable luminaries throughout history have been inspired and humbled by the simple joy of riding a bicycle. For centuries, this powerful connection between people and bikes has driven humans forward as inventors, travelers, and thinkers. From Susan B. Anthony and Mark Twain to Eddy Merckx and Greg LeMond, collected here are entertaining, inspiring, and philosophical thoughts about cycling from writers (and riders) reflecting on the pleasures, power, and freedom of the bicycle. With beautiful black-and-white photos and illustrations on every spread, this elegant collection of quotations is sure to motivate anyone to get on their bike and enjoy the ride.
