Dove vanno a finire i nostri sogni, le nostre amnesie, i nostri errori? Vengono minimizzati dalle urgenze tecniche dell'attualità, dal tempo concreto e pressante della produttività. Sono ammessi solo in quanto fenomeni involontari che per lo più disturbano e complicano, con la loro irragionevolezza, la vita corrente. Invece, proprio in quella logica che non pare una logica, in quell'invenzione di segni che ci spiazza ogni volta, in quegli enigmi che ci disorientano, si rivelano e si applicano le leggi generali dell'inconscio. Un atto mancato, un sogno, un errore sono occasioni che il soggetto, nel corso della sua esistenza, non dovrebbe dissipare. Sono occasioni eversive di conoscenza. Così l'analisi di un testo onirico, di un sintomo, di un lapsus o di un qualsiasi altro atto mancato può mostrare come il contatto con sé sia fondamentalemente un incontro con l'altro e con l'altro da sé.

The Second Edition of Parliamo italiano! instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute Parliamo italiano! video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.
