Donnelly, is praised in the market for its clear and concise presentation of the basic principles of marketing in such a way that the core concepts and ideas are covered in sufficient depth to ensure understanding. By offering an engaging, clear, and conceptually sound text, this book has been able to maintain its position as a leading marketing management text. The fourteenth edition serves as an overview for critical issues in marketing management. Its brief, inexpensive, paperback format makes it a perfect fit for instructors who assign cases, readings, simulations or offer modules on marketing management for MBA students. The text also works in courses that implement a cross-functional curriculum where the students are required to purchase several texts.

Principles of Marketing, helps students understand how to create value, build customer relationships and master key marketing challenges. The 8th Edition has been thoroughly revised to reflect the major trends impacting contemporary marketing. Packed with examples illustrating how companies use new digital technologies to maximize customer engagement and shape brand conversations, experiences, and communities.

Marketing attempts to influence the way consumers behave. These attempts have implications for the organizations making the attempt, the consumers they are trying to influence, and the society in which these attempts occur. We are all consumers and we are all members of society, so consumer behavior, and attempts to influence it, are critical to all of us. This text is designed to provide an understanding of consumer behavior. This understanding can make us better consumer, better marketers, and better citizens. A primary purpose of this text is to provide the student with a usable, managerial understanding of consumer behavior.-Pref.
